Seated: Laura Monical, President. Standing: Michele Simon, Vice President; Susan Schwarz, Secretary; Kari Gillis, Treasurer.

Senior Class Advisors: Mr. Pendell, Chairman; Miss Keys, Mrs. Carr, and Mrs. Brand.

The Class of 1982 was off to a very quick start with help from the Senior Class Cabinet. The cabinet included President Laura Monical, Vice President Michele Simon, Secretary Susan Schwarz and Treasurer Kari Gillis.

They got the Senior Class going even before the year started by having a Class of '82 car wash which was held at Burger King. The car wash was a fantastic fund raiser due to much senior enthusiasm and the amount of pre-sale tickets that were sold at the season opening football game.

As summer came to a close and the new school year began, the Senior Class began preparations for the Homecoming Dance. "Hello Again", the 1981 Homecoming Dance, was held on a Saturday night instead of the usual "after the game" Friday night. This was the first time in La Habra's history that a dance other than Prom was held on a Saturday night. This enabled more students to attend. All those involved enjoyed dancing to the music of "Eclipse".

To make the Class of "1982" the 'best ever', the Senior Class had many fund raisers that contributed to the Senior's special year-end activities.

One of the most successful fund raisers was the See's Sucker Sale. A large part of the Seniors took part in this two week event that concluded with over 2,000 suckers being sold.

Another very effective fund raiser was the Chucky Cheese Community Involvement Night. Money raised from this activity was used for various senior activities planned by the senior officers.

These senior activities would not have taken place without the help of the Senior Advisors and parents, Mr. Pendell, Mrs. Brand, Miss Keys, Mrs. Carr, Mrs. Mason and Mrs. Sullivan. These people helped us immensly and without their help and support our senior year would not have been as unforgettable. To them we are forever grateful.

As the year wound down, every one began to prepare for Senior Week. A movie, a Senior Breakfast, and graduation practice made this last week of school for the Class of 1982 very unique.

The very enthusiastic Senior Class made this years Graduation Night a tremendous success. The evening began with a cruise around San Pedro Harbor. The excited graduates, approximately 310, enjoyed dancing to the music of Clique. As the four hour cruise came to an end, spirits were still high, anticipating the breakfast held at Crest Caterers in Garden Grove. There we enjoyed fine food and dancing to the music of the Occupants till dawn. With this our years at La Habra High were complete, proving to be truly special and forever memorable.

Special days we won't forget
Time we never will regret
Moments shared with a close friend
Parties we didn't want to end

Sitting, talking, laughing . . . sharing
Listening and truly caring

And now memories these times will be
Looking back and saying,
"Remember when we . . ."
Wishing it all would have lasted a longer while
Longing to see those special friends and smile

Now as we graduate and make a new life's start
I'll hold on to the memories,
Keeping them close to my heart.

Happiness overwhelms Jeff Linam.

Mrs. Pierce receives an award from the Class of 1982.

John Wong, Rochelle Lopez, and Debbie Zaha, look happily at their awards.

Maria Calabretta is awarded Girl Athlete of the Year.

Recognizing the achievements of the Senior Class of 1982 was like counting the stars in the limitless skies. And the Senior Awards Night, which was held June 9 in the Stirling Gym was just a perfect night for acknowledging diligent students of the Class of 1982. The gym was artfully decorated with the expertice of Mrs. Carr and Mrs. Mason, and the program was hosted by Mr. Pendell, Senior Class Advisor and Miss Laura Monical, Senior Class President. The room was filled with proud parents, well-deserving students and caring teachers.

Among the many awardees, Janine Mason was awarded Women of the Year; Greg Golden and Arjun Barera tied for Men of the Year. Coach Mrs. Sandy Blumenthal stepped up to the podium and with great pride announced Maria Calabretta for Girl Athlete of the Year. And on the counterpart, Coach Tex Wallis named C.J. Sciacca as Boy Athlete of the Year. The Class of 1982 was blessed with many talented students, and the evening was highlighted by a solo from Dave vanBreemen singing "Joey", and Kari Gillis singing "Adelaide's Lament". The P.T.A. Thrift Shop Scholarships awarded 25 people with $300.00 each. Elks Club Scholarships were awarded to six deserving students and Greg Golden was named a national winner. There were all kinds of Scholarships distributed to different students who excelled in various areas like academics, sports, Industrial Arts, Music, Drama, and many others. And with a grateful heart, Miss Laura Monical honored Mrs. Larsen, Mrs. Leeper, and Mrs. Pierce, for their time and effort that was given to the Senior Class. The Senior Class of 1982 accumulated a total of $238,750.00 worth of Scholarships. The Class of 1982 is very grateful for the many long hours Mr. Pendell spent helping to make so many of the scholarships and awards possible!

Senior Breakfast Hits The Spot!

We love the class of '82!

Donna-Jo Payne and Shelly Sprague enjoy a coffee break.

John "Otis" Rodriguez tries his cap on for size.

The Senior Breakfast was a smash hit! It was held on Thursday, June 17, at Our Lady of Guadalupe Church. Many Seniors attended the breakfast to say goodbye to their friends, and to sign their supplements. The Seniors expressed a lot of joy and had a wonderful time talking about old and new times. The smooth event was arranged by the Senior Class officers of 1982. Special thanks are also extended to Mrs. Carr, Mrs. Sullivan, Mrs. Mason, Miss Keys, Mrs. Brand, and Mr. Pendell, and the remaining crew who put in a lot of time and effort.

The Seniors enjoyed eating fresh cantaloupe, watermelon, strawberries, and pineapple. The menu also consisted of ham, bagels and cream cheese, and coffee or milk. The Seniors will always remember their "Last Breakfast" together.

In line, Kathy Clifford spots her table.

Geri Gardner munches on a bagel.

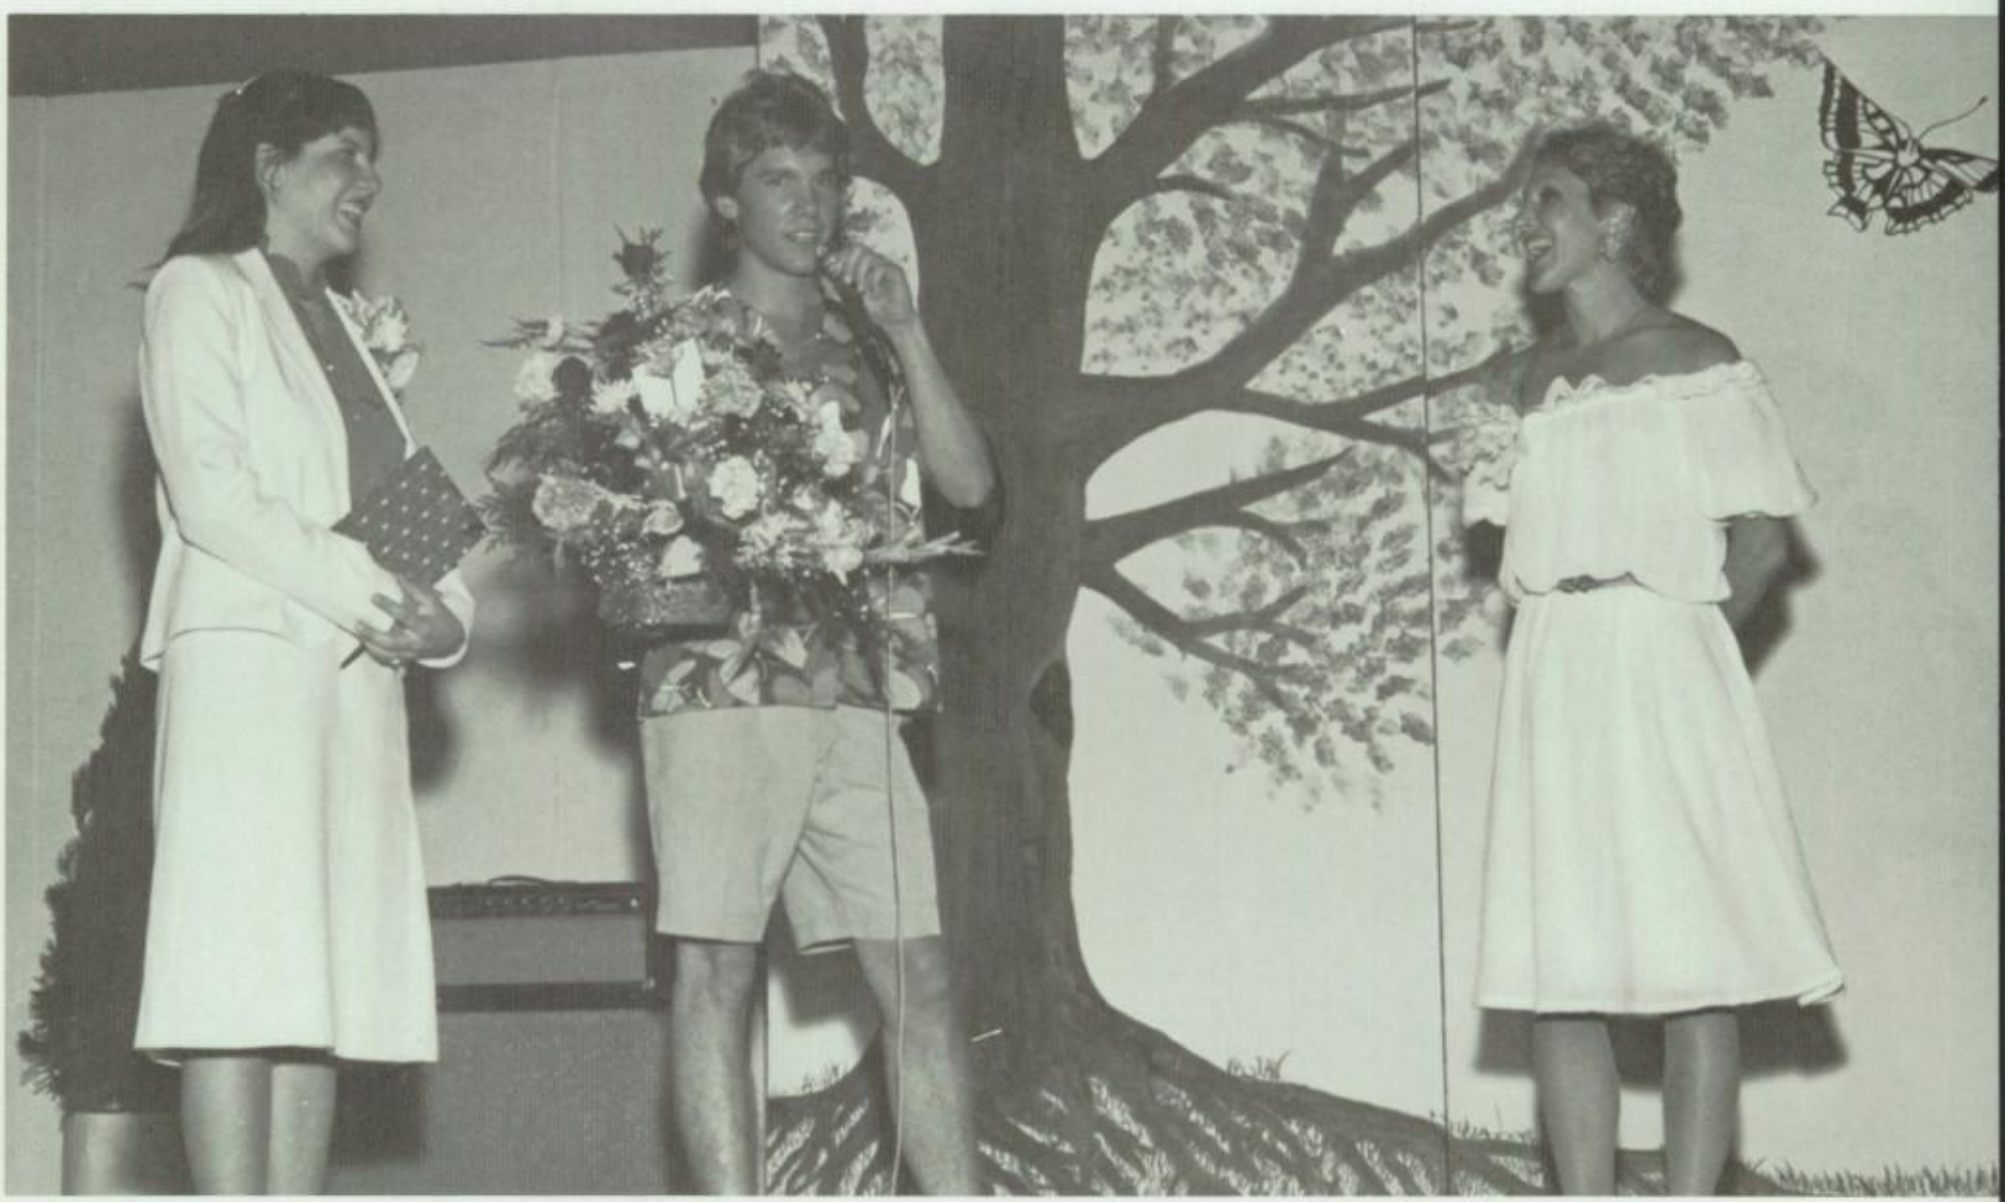
Roots And Wings - Reflections 1982



Warren Burks presented Miss Keys with flowers, as Kathy Clifford looked on.

"Roots and Wings" was this year's theme of Reflections for the Class of 1982. The program began at 3:30 Sunday afternoon, June 13. The Stirling Gym was the setting for this memorable event. Laura Monical, Senior Class President, welcomed the parents, friends, faculty, and the Class of 1982 to start off the presentation of Reflections 1982. Warren Burks, Reflection Chairman gave introductory remarks about Reflections 1982. Miss Kathy Clifford was Mistress of Ceremonies.

There were many speakers and performers who entertained the parents, friends, faculty, guests, and the Class of 1982 with songs, skits, dances, poems, drama productions and a slide show. Congratulations were extended to Miss Keys, Senior Advisor in charge of the Reflection programs; and to Mr. Warren Burks and to his Reflections committee for what was said to have been the best Reflections program ever presented.

Immediately following the program was a picnic for the Seniors and their families and guests. The Seniors enjoyed relaxing and eating the good food while reminiscing their past four years of high school. Much thanks to Mrs. Carr, Mrs. Murphy, Mrs. Morrison, Mrs. Brand, Mrs. Mason and all who helped in making the afternoon enjoyable and forever memorable.

"The Newscast" presented by Liz Pacela and Dave Clements.

Tim Vandehey entertainingly sings "Auld Lang Syne".

"The Four Posters" performed by Glen Dismuke and Lisa Sogliuzza.

The gangs all here from Rock and Roll High School.

Helen Cicino will never give up her independence.

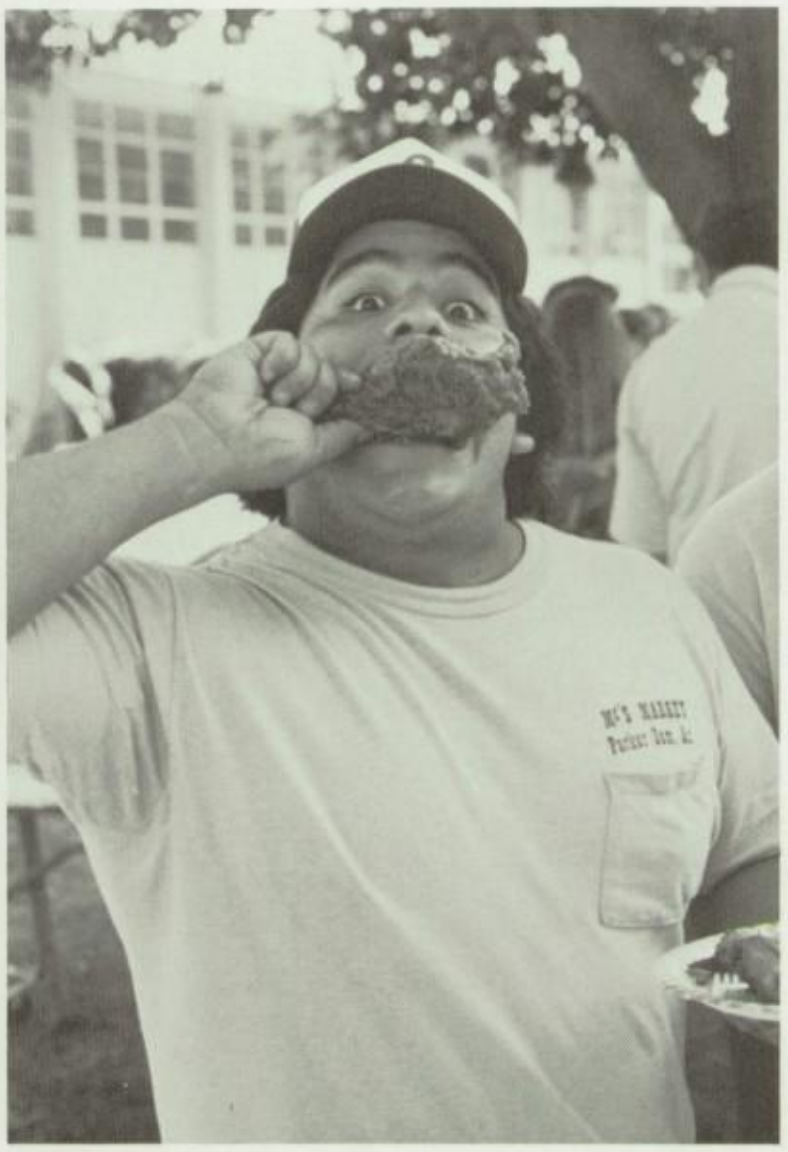
Reminiscing Through The Years

Ben, Tom, Glenn, Ron, Dave and Warren sang "Graduation Day".

The Concert Choir bellowed out "Hallelujah Chorus."

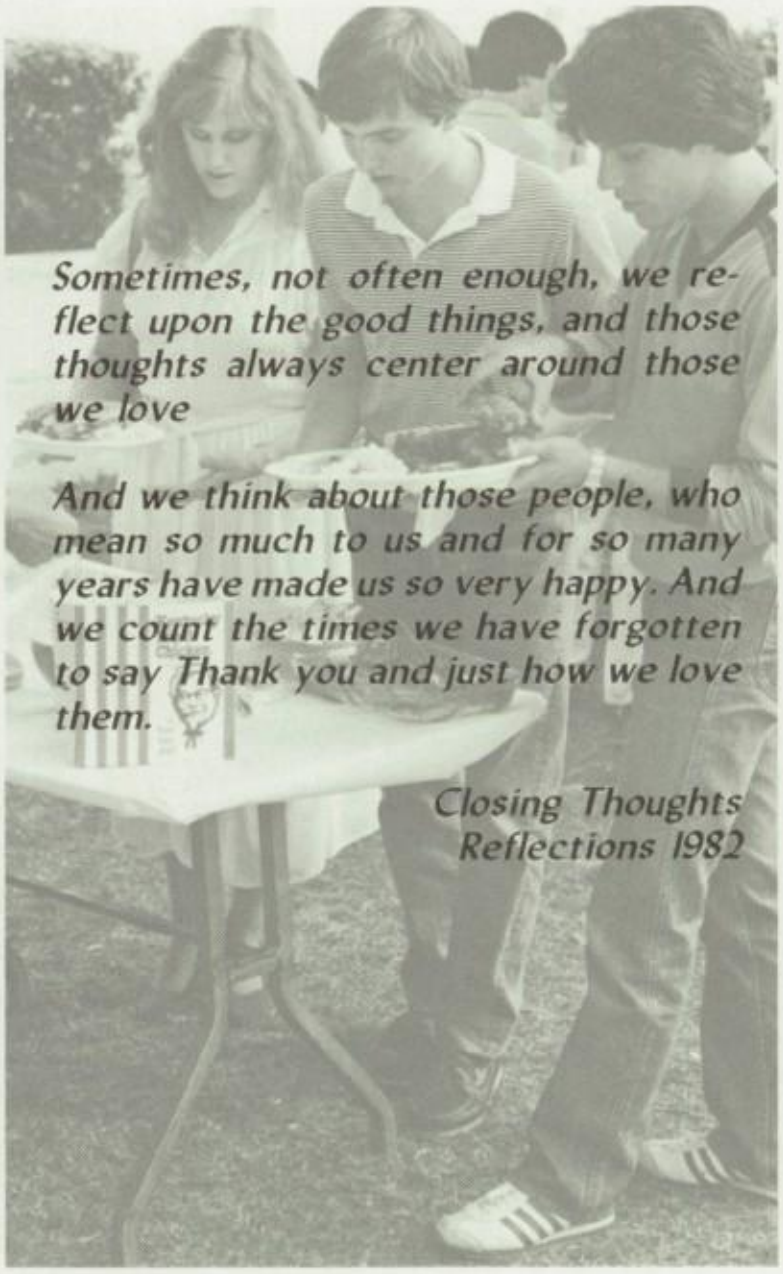
"The envelope please" states Kathy Clifford to Laura Monical.

Just a glimpse of Tina Schneider reciting "Who Will Make the City Joyful."



Richard Chavez enjoys the fine food.

Mary Bucklen and her senior friends enjoyed Reflections Picnic!



Sometimes, not often enough, we reflect upon the good things, and those thoughts always center around those we love

And we think about those people, who mean so much to us and for so many years have made us so very happy. And we count the times we have forgotten to say Thank you and just how we love them.

The Occupants rock on.

A cruise in the Harbor—that's absurd! And it was for Grad Night—that's preposterous!

It sounds dubious, but the Senior Class of 1982 finished off their year with an all-night cruise in the San Pedro Harbor. On June 17, 1982, the Senior Class gathered at Sonora High School's parking lot to board the buses that would take them to San Pedro Harbor. When the captain sounded, "All aboard," a crowd of more than 350 agitated Seniors embarked the boat for a cruise they will never forget. The lower deck was filled with energetic Seniors who danced the night out to the euphonic music of the band "Clique." After a smooth sailing, the boat docked at the Pier around 2:30 in the morning to end the cruise.

It was really a wonderful evening, but the night wasn't over yet. The Seniors did not only settle on a cruise for Grad Night, but to top it all off, the restless Seniors boarded the buses that took them to Crest Catering where a hot and tasty breakfast was waiting for them. The band "Opponents" entertained La Habra's 1982 Graduates. It was pretty late, but time did not bother the high-strung Seniors who danced to the music for about two hours. At 5:30, the Grad Night activity was officially over. And to the 1982 Senior Class Officers and the PTA chaperones, thanks for a wonderful Grad Night.

What a happy gang.

Kermits Get It Going

Front Row: Marlene Eller, President; Linda Gross, Treasurer, Row Two: Keri Wilkerson, Secretary; Trudy Bowlin, Vice-President.

Junior class officers promote bagel sale.

Junior Advisors: Mrs. Dutton, Mrs. Cholewa, Miss Beebower.

Kermit the Frog gets greener every year. The class of '83 was full of spirit, enthusiasm, and energy. The junior class started their activities with a bagel sale which netted $150.00. The car wash followed the bagel sale with $120.00; and aidful juniors brought in $50.00. by helping clean up the gym after the Homecoming Dance. The money accummulated in their activities will go to the Junior-Senior Prom. For the benefit of the seniors, the junior class planned a magical night on the first of May at the Coconut Grove of the Ambassador Hotel. The Gem Band contributed to this magical night by playing euphonic music. For those who attended the prom, it was an evening to remember.

'83 Expose Class Spirit!

Donna Shriver and Kari Wilkerson propose a toast.

Joe Salem utters, "What???????".

Todd Trueman displays a genuine smile.

"Who called me?," asks Mimi Mclaughlin.

A tantalizing smile from Becky Streety.

Sophomore Officers Shine

Sophomore officers: Irene Morones, Treasurer; Stephanie Brennan, Secretary; Anita Wallace, President; Pete Fuqua, Vice President.

Sophomores spend their break with friends.

Sophomore class advisors: Miss Hunt and Mr. Johnson

The sophomore class encountered a very encouraging year. Although the class was not able to promote a whole lot of activities, they remained active and competent. During an interview with the sophomore president, Anita Wallace, she said with confidence, "Even though we were not able to support many activities, it was the sophomore class officers' goal to promote vivacity among the sophomores that I believe pushed through." However, the sophomores pulled together for a car wash giving the class $30 to pay their debt to ASB from last year. The sophomore officers owe a great deal of gratitude to their class advisors for a stimulating year and for their cooperation in making this year a good one.

Soph Officers Shine

"What did you say?" asks Dolores Enriquez.

Curtis McCann, Yvonne Winfrey, and classmates laugh at the teacher's joke.

"Don't come any closer or I'll jump!" cries Diana Thewes.

Tricia Ontiveros, the busy homemaker, sets the table for lunch.

LHHS students work hard at all they do.

"Did you see him go by?" asks Dawn Lee.

"Did you see that? He talked!" cries Annamaria Vasquez.

Gina Ortega and classmates are enthralled by the teacher's humor.

PRINCIPAL

L.H.H.S. Administration

Mr. Ron Anderson, Assistant Principal

Mr. Duane Clizbe, Assistant Principal

Mr. Maruca has been involved with education at La Habra for six years. He was a social science teacher at a previous school and he was also an activities advisor. In his free time he likes to go to the beach, snow ski, jog, and read. The thing he likes best about his job is watching students mature. He only wishes he could know them all and enjoy everyone.

Mrs. Pierce's Last Year

Mrs. Behan, Typist Clerk

Mrs. Dorado, Computer Operator

Mrs. Pierce, after 11 years at La Habra, has retired. She retired with her husband, Larry, and wants to travel to foriegn places and relax. Mrs. Pierce enjoyed working with students, and was a help to them whenever they had a problem to discuss. Many seniors knew Mrs. Pierce because she sent transcripts to the college of their choice. We all wish that she has a successful and prosperous future.

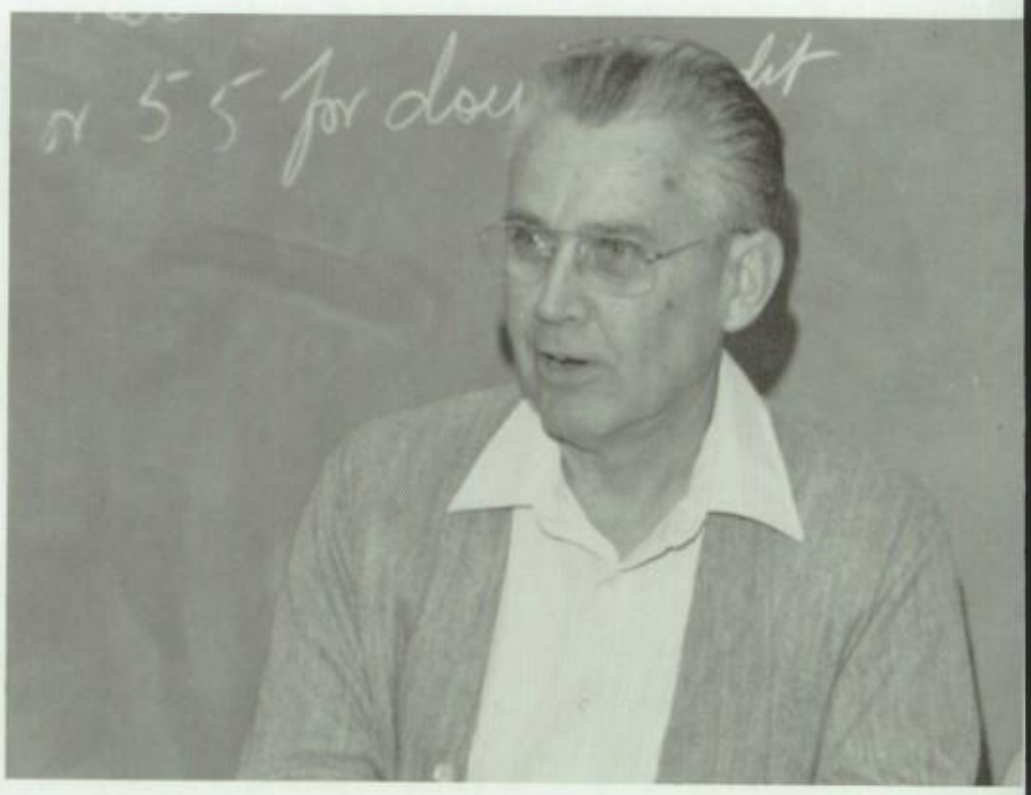
Vocational Ed.

Mrs. Bielock, Home Ec.; Mrs. Monical, Instructional Aide



Mr. Brislawn, Business Ed

Mrs. Claus, Business Ed

Mrs. Claus has been teaching since 1950. When she was in high school she planned to go into secretarial work, but she discovered that she enjoyed teaching young people. During her free time away from school she likes to golf.

Mr. Wright, Business Ed

Mrs. Moore, Home Economics

Hardworking Secretaries

Mrs. Gaona, Vice Principal's Secretary

Mrs. Nicholls, Principal's Secretary

Mrs. Compise is a very familiar face around this campus. That is because she is a 1969 graduate of La Habra High School. She remembers her own student days at La Habra as if they were yesterday, and feels that there have not been too many changes, except in her name - she graduated as Debbie Leonardi and has since been married. Mrs. Compise has been back at La Habra High School for two years now, working first in the Special Ed. department and now as the Activities Secretary. There just aren't enough hours in the day to complete all of her tasks in her new job, but she enjoys it immensely as she is now able in interact with the student population more freely.

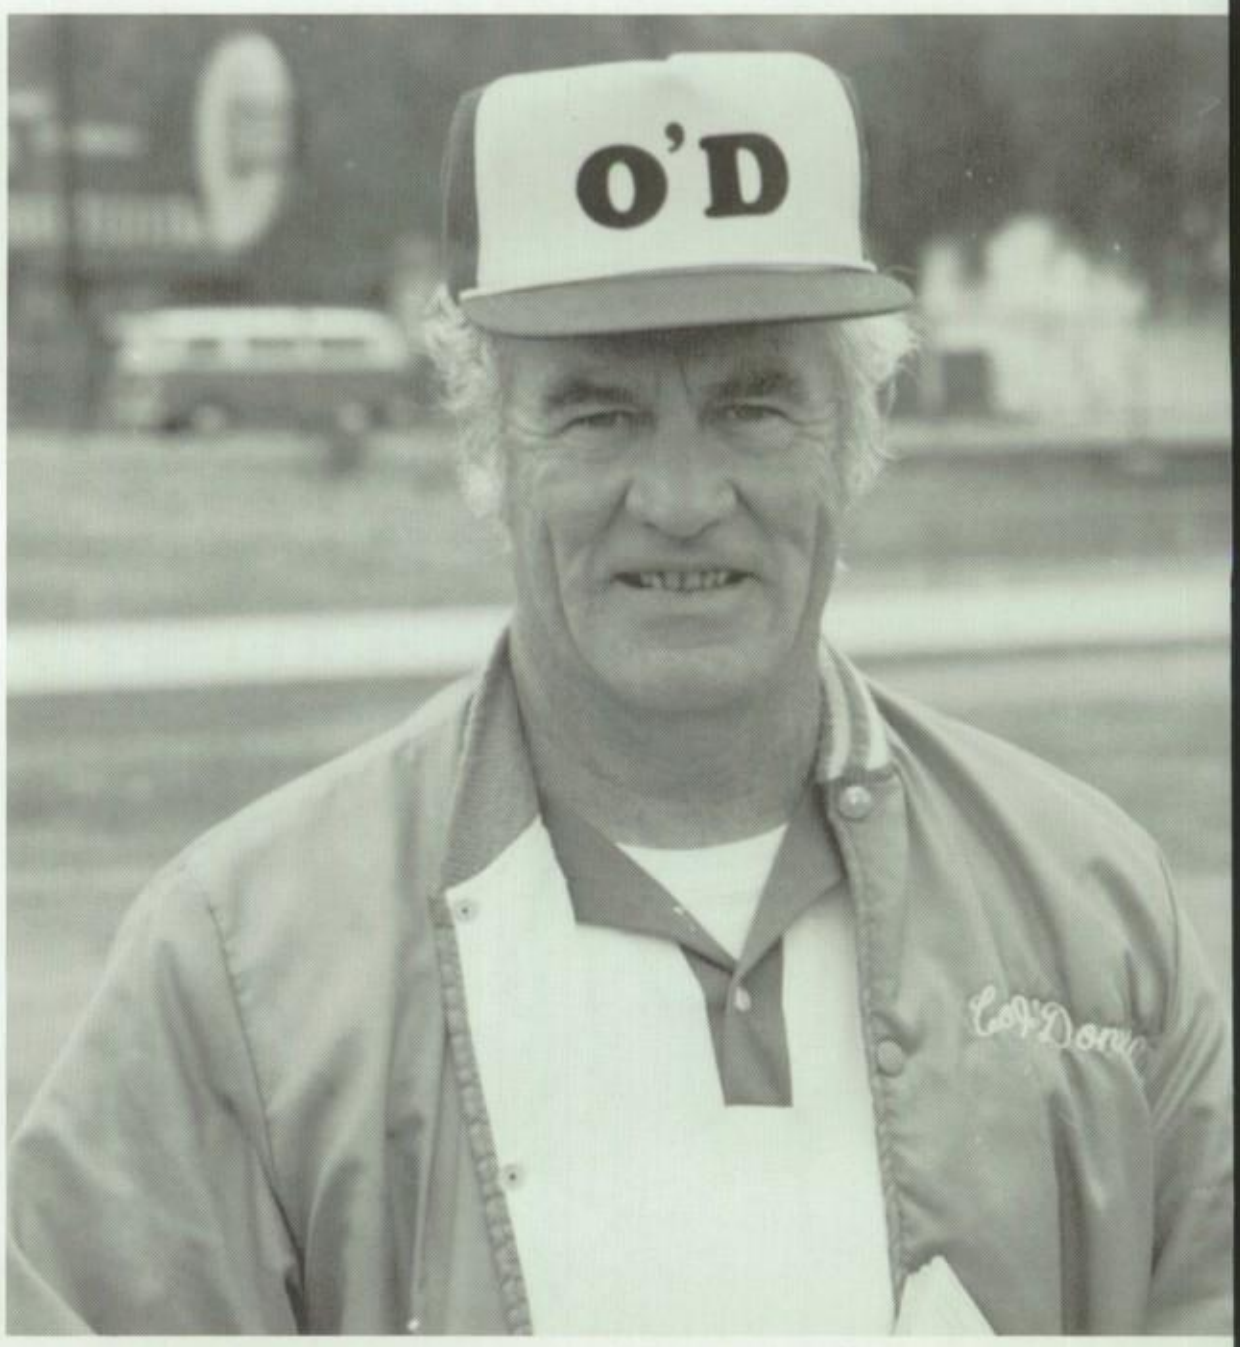
Mrs. Compise, Activities Secretary

Physical Education

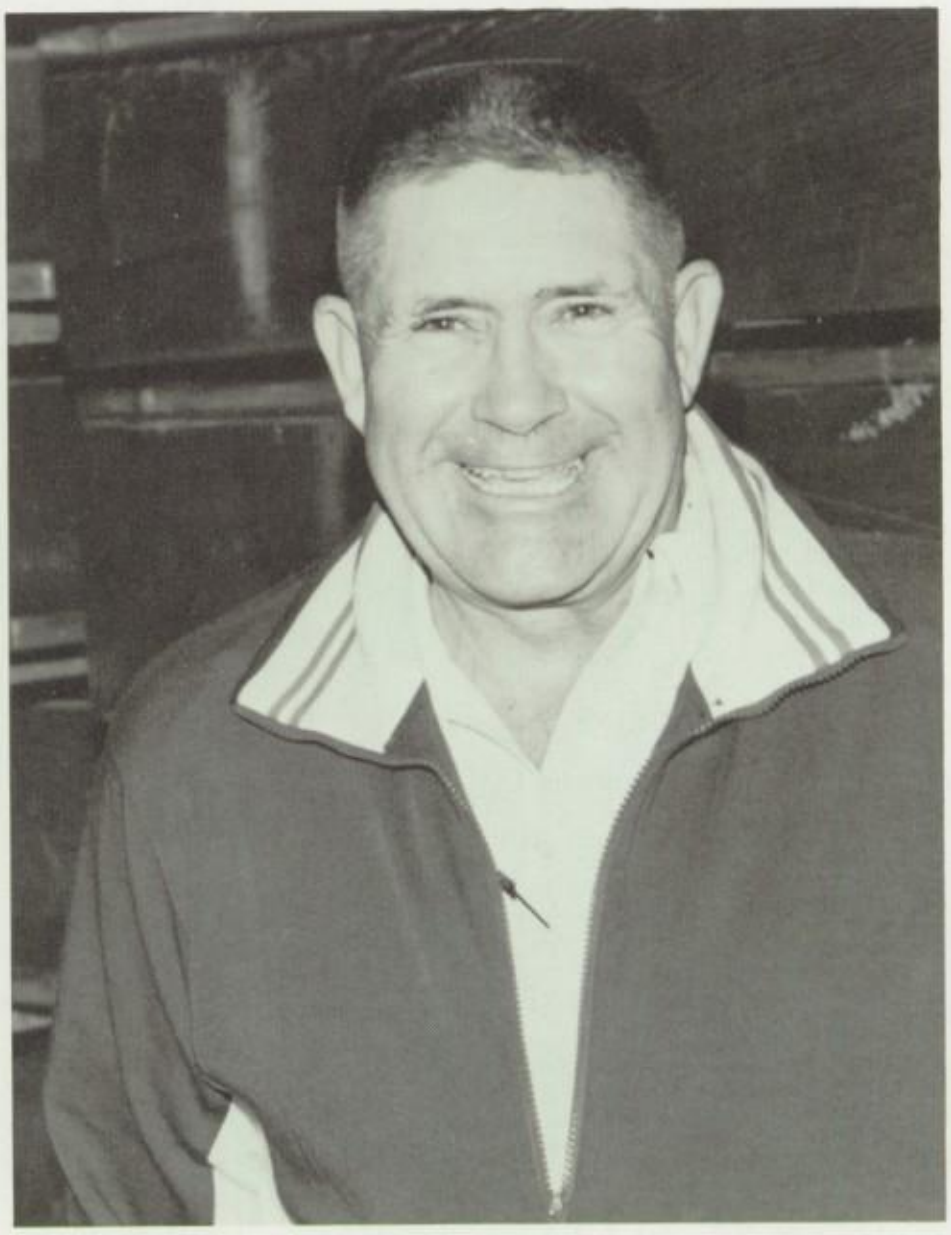
Mrs. Staley

Mrs. Blumenthal

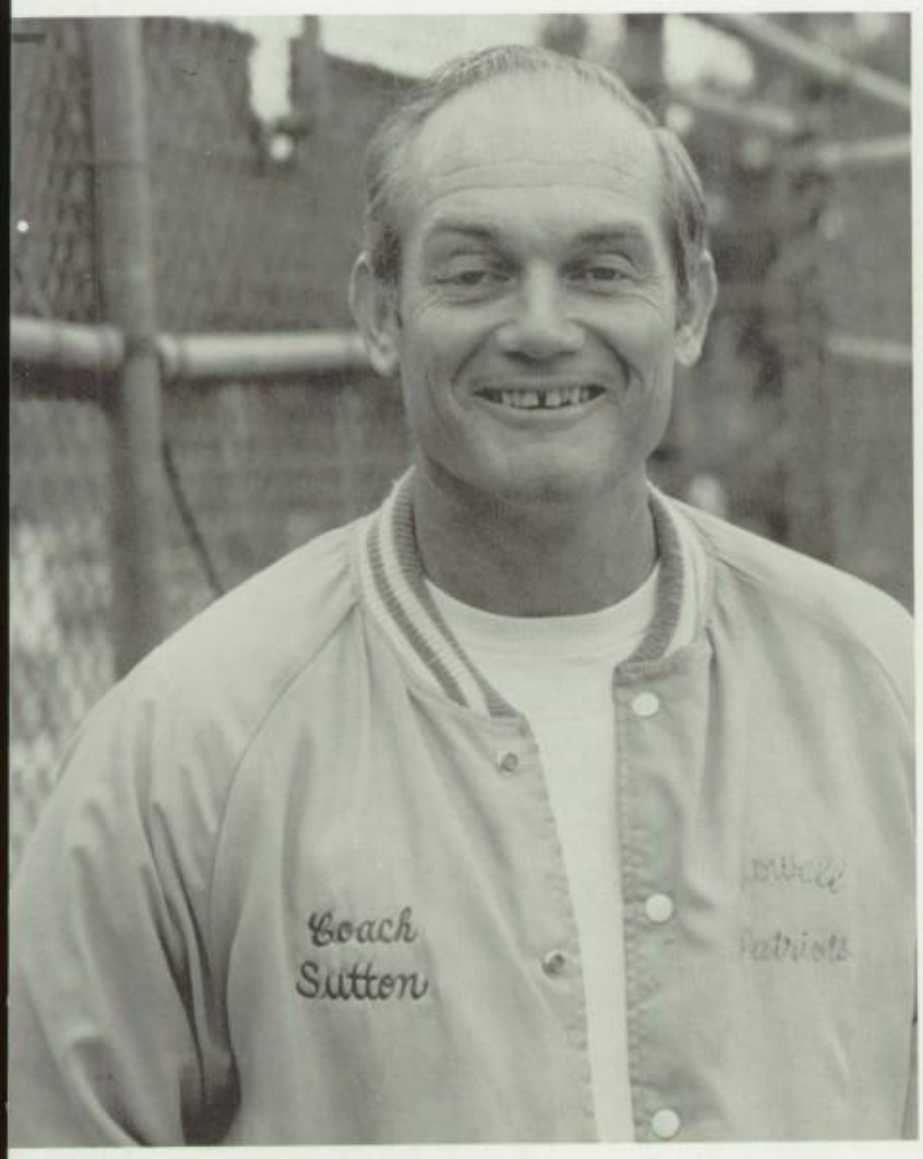
Mr. O'Donnell, at right, has been teaching at La Habra for 26 years. Before he came to LHHS, he taught at Potrero Heights High School. He has been involved in teaching English, Math, Social Science, and P.E.. When he was in high school, Mr. O'Donnell was interested in athletics; he played football, soccer, and baseball. He enjoys playing golf in his free time. The most frustrating thing about his job is the lack of funds, but the satisfaction he gets from working with the kids makes up for any financial shortages.



Mr. Quezada



Mr. Wallis



Mr. Sutton

Mr. Reynolds

Mr. Reynolds has taught for 20 years. He enjoys his job because of the challenge of working with young people and because every day is different. The most frustrating thing, he says, is when the students don't care about what they study. When Mr. Reynolds was in high school he planned to be a machinist, but when he was a senior he was influenced by a teacher to go to college instead. He is glad that he did. When not teaching, Mr. Reynolds golfs and goes camping.

Mr. Reilly, Biology and Life Science

Mr. Reilly has been teaching for the past nine years; his first seven years at Lowell High School, and his past two years here at La Habra. Mr. Reilly teaches Biology and Life Science. He wishes to see that there are more types of interdisciplinary classes available to students in the future.

When asked what he likes to do in his spare time, Mr. Reilly replied with a great number of things. He enjoys almost all kinds of sports. For the past five years, Mr. Reilly has been involved in fast pitch softball. He also tries to get away at least once a week to go surfing. For other means of enjoyment, he reads informative books, goes to plays, and goes camping and backpacking.

We are glad to have Mr. Reilly here on our teaching staff at La Habra and hope he will continue teaching here in the years to come.

Sadly, Mr. Newcomb left at the semester of 1982. He taught for a total of 10 years. Out of those 10 years, he spent a year and a half teching at LHHS. He had very memorable experiences here. One of the most embarrassing moments was when he lit his hair on fire while demonstrating to the class how to use a lighter. Mr. Newcomb also said that his students will "always be most memorable to him." Mr. Newcomb's future plans are to go into the career of painting, possibly teach art at a junior college, and to enjoy life being affluent. The students at La Habra High were unhappy to see him leave, but he will always be in our memories as a great and understanding teacher.

Second Row: John Anderson, Dylan Lawson, Elizabeth Pacela, Michelle Prantalos, Kathy Clifford, Janine Mason, Sandra Chessa.

Dear Students,

Looking back at all of the memories which were made during the school year '81-'82. I cannot believe how fast the year has gone by. Among my most valuable memories are the friendships I have made and the good times we have all had.

From the A.S.B. viewpoint, this was a year of many activities and changes. Most importantly, it was a learning experience for everyone. We gained experience in working together as a group to govern such a large and diverse organization as the Associated Student Body (A.S.B.), and we really learned how to make decisions.

La Habra High School is truly a unique school. We are the largest around, and A.S.B. cabinets from other schools have said that we are the friendliest. As A.S.B. President, I was especially proud to see our school spirit really soar this year. The friendliness and spirit reflects the attitude of the Highlanders - one large group of friends striving for knowledge while enjoying their high school lives. That is what it has always been about to me, and as a senior I am really going to miss it.

All of the seniors now have to decide what to do with the education and learning they have received here at L.H.H.S.. Whatever they put it towards - further education, work, or home - L.H.H.S. and everyone they have met will be a part of it.

As these important decisions are made, the underclassmen will continue to live on in the spirit, pride, and tradition of this great school.

Keep it up, La Habra High School!! And many thanks to all for making our years here the best!!!

Fondly,

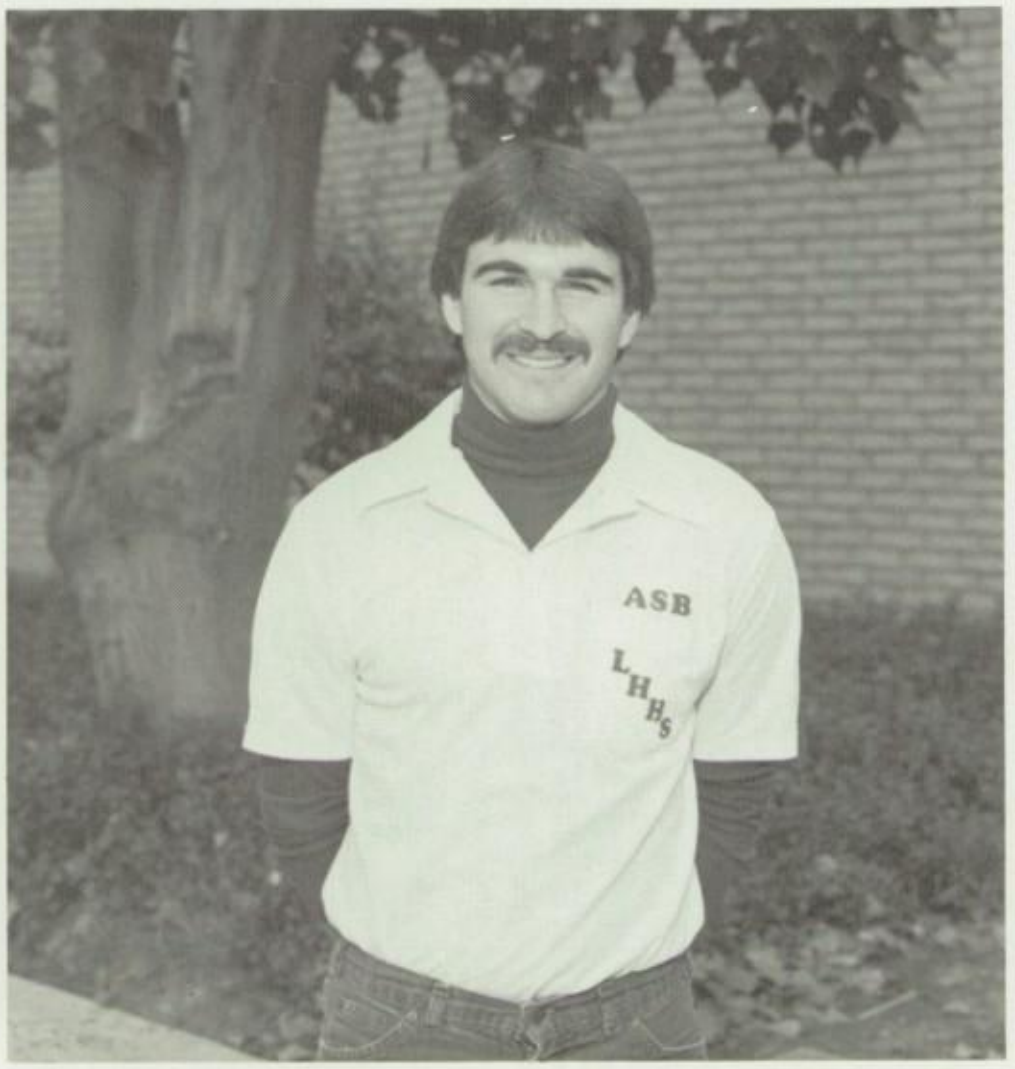
Elliot Toombs

Elliot Toombs

A.S.B. President - Elliot Toombs.

An Indefatigable A.S.B. Cabinet.

A.S.B. Advisor - Mr. Freifield.



A.S.B. Vice- President - Greg Golden.

A.S.B. Secretary - Connie Zavala.

A.S.B. Treasurer - Pat Prendiville.

Leadership Class. Front Row: Kathy Clifford, Elizabeth Pacela, Connie Zavala, Elliot Toombs, Dodie Escobedo, Greg Golden, Pat Prendiville, Janine Masc Arjun Berera. Row Two: Laurie Barnett, John Anderson, Kari Gillis, Marlene Eller, Sandra Chessa, Laura Monical, Dylan Lawson. Row Three: Advisor M Max Freifield, Cheryl Barnett, Michelle Simon, Anita Wallace, Kari Wilkerson, Jeff Linam, Michelle Prantalos.

At the beginning of their term 1981-1982 term, the A.S.B. Cabinet and the Leadership Class started with their usual Opening Day Assembly at the Highlander "The Pit" Football Stadium. The Faculty and students gathered and were greeted by the various speeches from A.S.B. officers and Principal Triggs.

The A.S.B. did not waste time in scheduling and budgeting this year's respective activities. For the month of September, the A.S.B. sponsored the Freshmen Orientation and the Faculty Breakfast. Activities for October included the Halloween dance, a car wash, a See's Sucker Sale, and Camfel Productions' "Everyday Heroes." For November, the prestigious La Habra Homecoming Pageant and Dance was staged. December was a jolly month for the Cabinet, since the students had the opportunity to take pictures with "Santa" Freifield. They also had a mistletoe sale. The newest activity that the A.S.B. encountered during their term was the so-called "Shadow Day," in which A.S.B. Cabinets go to other schools to learn new ideas and know how each school works. The A.S.B. went to Sunny Hills High School for the month of December.

The new year started with the Ski Bum Dance which was held outdoors. For February, the Cabinet invited the famous Amman Folklore Dance Show to perform at the Sterling Gym. The students, as well as teachers, enjoyed every moment of it. Also included was another See's Sucker Sale. March was just around the corner. Activities included the annual Donkey Basketball Game (students won!), Hershey Bar Sale, and a Shadow Day at Fullerton High School. Hula Hawkins, a Hypnotist show, and the Nominating Convention were all held during the month of April. May was the month of dress up days and bands playing during lunch time. And for the month of June, the Cabinet held meetings and a party for the incoming 1982-1983 A.S.B. Cabinet and its officers. It was a very good year!

Commissioners. Elizabeth Pacela, Commissioner of Student Activities; Jan Mason, Commissioner of Student Faculty Relations; Arjun Berera, Commissio of Student Relations; Kathy Clifford, Pep Commissioner.

Student League — Active As Usual

Front Row: Michelle Prantalos, Priscilla Moody, Leslie Leath, Tammy Lusk, Cindy Payne, Melinda Little, Denise Kirk. Row Two: Julie Clarke, Marie Bustrum, Sharon Ferrell, Donna Eisenhauer, Becky Gutierrez, Kris Hubler, Lesley Marsh, Kari Gillis, Laura Monical. (Not pictured, Ms. Larsen, advisor.)

Student League is a service organization at La Habra High School which keeps busy all year round. The purpose of Student League is to raise money for scholarships for deserving seniors.

The club started their fund-raising activities during the summer vacation by organizing bake sales and car washes. At Freshmen Orientation, held in early September, members of Student League sliced and handed out watermelon to the hungry students. In October, the club sponsored the annual Sadie Hawkins dance, "Sadie's Showdown".

In December, the club organized a Christmas candy sale and also sold "Sweetheart" candies before Valentine's Day. On St. Patrick's Day, Student League sponsored a luncheon for the faculty members at the school library. The traditional Friendship Day flower sale was held at the end of March. The club also held the annual Mother-Daughter Tea in early May to round out their fund-raising activities.

Congratulations are deserved by Ms. Larsen, advisor, and Student League for their efforts in selecting Students of the Month. This organization had a tremendous year, and will continue in their magnanimous service-oriented tradition.

Officers: Leslie Leath, Treasurer; Donna Eisenhauer, Co-President; Becky Gutierrez, President; Hubler, Vice-President; Lesley Marsh, Secretary.

Students Of The Month

September, Elliot Toombs

October, Kathy Clifford

September- Elliot Toombs was the school's A.S.B. President. He had been active and energetic both with school and community activities. He was a member of Concert Choir for four years and was involved in swimming and water polo for four years too. Overall, he rightly deserved the first award.

October- Kathy Clifford was the school's Pep Commissioner. She had been actively dancing with the school dance club, Synergy, for four years. She organized a lot of activities and sales for the Pep club. She was also the emcee for Reflections.

November- Cheryl Bearden was this year's C.S.F. President. She was chosen for her active performance in initiating activities such as La Habra's Tutoring Program, donut sales, and field trips. She has been a member of Hinshaw's Fashion Board.

December- Director of PTA and Faculty Relations, Jeff Linam, was chosen his active involvement with Concert Choir, Scotscapade and Top 100, all for four years. He was also a member of the great books Club and Reflections Committee. He was on this year's Prom Court.

January- Edmund Velasco was chosen for his creativity and energy in directing and managing the school's first variety show, "Behind the Eight Ball". Edmund enjoys playing the saxophone and had been involved with band for three years.

February- Dave vanBreeman was chosen for his active participation with the Basketball team, since his freshman year. He was a member of the Scotch Tape staff and an honorary member of the Quill and Scroll. He was on this year's Prom Court.

March- Elizabeth Pacela was A.S.B. Commissioner of Activities. She was Drama Club's President, Yearbook staff member, and had been involved with the Audio Club. She was very committed and active.

April- Arjun Berera was A.S.B. Commissioner of Student Relations and was chosen for his indefatigableness. He's been involved with C.S.F. and was in the Top 100 for four years. He was Scotch Tape Copy Editor.

May- Yearbook's Editor-in-Chief, Missy Sullivan, was chosen for her patience and reliability. For four years, she was involved with the Reflections Committee, Concert Choir, Scotscapades, and the Top 100. She was a member of C.S.F. for three years and participated on the Homecoming Committee.

June- Senior Class President Laura Monical was chosen for her active involvement in organizing senior activities such as the Homecoming Dance, Reflections, Grad Nite, and the Senior Activities Week. As a member of the Student League, she was involved in organizing the Sadie Hawkins Dance.

If civilization is to survive, we must cultivate the science of human relationships —the ability of all peoples, of all kinds, to live together, in the same world at peace.

Hi!

I have had a really great time at La Habra High School!

After living in two different places here in California, I have finally ended up in the best area.

Everybody at LHHS has been very friendly to me and a lot of fun. I am happy to have had a chance to participate in such an active school.

I couldn't imagine what I would find when I came to America. I did find a pleasant place.

Hello!

My name is Kiyomi Niima, and I'm from Japan.

I think that American high schools allow for a freedom of choice and honesty. Class work, I have found, is much easier in America than in Japan. But I still study hard because of my language difference.

Every student here has a cheerful disposition. They are rarely shy and are very friendly. I like America and American high schools. I'll never forget La Habra High School.

Kiyomi Niima.

Dear Highlanders and Friends,

Before I came to California, my brother, Peter, told me all about La Habra. I never thought I'd have so much fun. California is really a great place where surfing and skiing can be done in one day. I've done so many different things this year. All my friends have been so nice, and thanks for showing me around California. Being an exchange student is an experience that I wish more people could have. This year I've learned a lot about Americans and I want to thank you all again for making this year so great for me.

Vi ses!

Love,

Johan Zethreaus

Johan Zethreaus

Hi La Habra!

I want to say thank you for all the good friends you gave me, the helpful teachers, and the nice people I've met here. It is very hard for me to leave you so soon, but I'm positive that I'll come back to visit. My school in Germany is not even half as much fun as here. We don't have activities like school dances, football and basketball games, and peprallies. I've loved the weather, the beach, Disneyland, and Knott's Berry Farm, and the whole American way of life.

Love and Friendship,

Claudia Müller

It surely was an active and energetic year for C.S.F., the California Scholastic Federation. Through the kind support and assistance of chief-advisor, Mrs. Jeanne Philip, the club and its assertive officers organized and carried out this year's respective activities.

One of the most successful endeavors that the club staged was its tutoring program. C.S.F. members volunteered in assisting other students who were having difficulties in handling their classes. The club also had doughnut sales in which $700.00 went to club scholarships, field trips, and the C.S.F. Disneyland night. This year, the club had the privelege of recruiting two more advisors to assist the group in its activities. They were Mrs. Kelleher and Mrs. Ingersoll.

The club is open to Sophomores (second semester only), Juniors, and Seniors. Qualified members must accumulate 10 points during their respective year ("A" = 3 points, and "B" = 1 point). C.S.F. Life Membership is open only to graduating seniors who had been members of the club for five semesters.

The Scotchtape encountered many changes this year. However, the group as a whole also accomplished much. With the leadership of Mrs. Dodd, advisor for the past seven years, and Mrs. Hines, student teacher, the staff pulled together and established better working relationships.

Some of the changes faced by the newspaper were the new headline styling and layout format. The traditional format was retired to make room for the newer, more appealing magazine format. The new format enabled staff members to become more selective in their writing, and La Habra High School saw its first articles on disabled students, special education classes, and special school board elections.

According to Editor-in-Chief Susan Schwarz, the paper was able to maintain its objectivity in reporting while informing the students about very controversial issues. The Scotchtape staff reflected their talents by being awarded many individual journalistic certificates and receiving Honorable Mention for Overall Excellence in Newspaper from the North Orange County Community College District.

Quill And Scroll

Out of the twelve thousand schools participating in and holding a charter in the International Honorary Society for High School Journalists - Quill and Scroll - La Habra High School stands out as one of them. More than one million members belong to the Society from coast to coast. In order to be eligible for membership, students must be bonafide high school enrollees from their junior or senior classification, in the upper third of their class, and have established excellent work in some aspect of journalism (yearbook, school newspaper, production work, or editing).

The members of the La Habra chapter of Quill and Scroll Society have met all of the above requirements and have been outstandingly involved in contributing to the school's journalistic environment such as the school yearbook, school newspaper and other related services. Selecting this year's membership was handled by Mr. Keith Pendell and Mrs. Mary Dodd.

The Film-Making Ultra-Articulates

La Habra High School gave birth to a new club this year: The Film Making Ultra Articulates - in short, the Film Club. The club was initiated by four young, talented and intrinsic students, namely: Richard Chen, Chad Elliot-President, Dan Sanger-Vice President, Kirk Ellis (not in picture) and advisor, Mr. Cole (not in picture).

The school year 1981-82 has been a hectic year for the group, having spent a lot of time and patience in producing, developing and organizing film scripts to show to private businesses. In turn, the money and donations from their benefactors and solicitors proceeded in renting film equipment and materials. This film equipment will allow the club to create their foremost production and other planned masterpieces in future years.

Science Club Discovers Fun!

Fourth Row: Diego Solarte, Michael Lee, David Sanger, Dan Sanger.

The Science Club at La Habra High School was very active. The group met weekly to plan and determine the events they would participate in the following month. Their first activity was a group venture on a whale watching trip off of the coast of California. They also visited a water purifying plant here in the southland and went on a very enjoyable trip to Six Flagg's Magic Mountain. The group also planned a fund raiser and used the money to buy new equipment for the Science Department. The main attraction of their sale was M&M candies which was a big favorite of all students.

Great Books Officers: Ben Rodriguez, Mr. Cole, advisor, and Becky Gutierrez.

Great Books is a class in history, humanities, art, philosophy, politics, and literature all rolled into one. Throughout the year, over 500 novels were presented to the class to read and study. The enjoyment of these books, some of them classics, was left up to the individual student. Following the course outline, over 80 seminars were held after school to allow the students to discuss what they had read. These seminars enabled the group to share their thoughts and opinions about the books, settings, and authors.

The Drama Club, or the Thespian Society, experienced a very active and eventful year at our school.

The club organized a candy sale for fund-raising during which they sold "Hershey" candy bars. The $750 the club raised helped finance plays and other productions. The Thespian Society went on two field trips in which they visited Whittier College and Chapman College in Orange, California, where the club members saw plays and observed college life.

The main productions of the year were two plays, the "Bad Seed" and "Hold Me", which the club saw while visiting Chapman College. At the end of the school year, the Drama Club held the annual Drama Banquet, where "Hokey" awards and professional awards were given to inspirational actors and actresses.

Achieving And Learning

Deanna Brady and John Dorff find time to smile.

School Within A School (S.W.A.S.), is an alternative school open to any sophomore, junior, or senior students. S.W.A.S. offers courses just like regular school; however, it also offers courses that assist students in facing decisions, responsibilities, and life itself. Each course is seventy minutes long and scheduled every other day. Moreover, S.W.A.S. students learn to work in small groups, in seminars, and on their own in an atmosphere that is casual, relaxed, and friendly. Eight year staff-advisor, Mr. Gary Peebles, Mr. Fred Lentz, Mrs. Deanna Morrison, and Mrs. Margaret Doyle, find it challenging and interesting working with S.W.A.S. students.

Farmers Rebuild

F.F.A. Front Row: Jennifer Mason, Caroline Jackson, Debbie Menaugh, Samantha Katz, Lynn Bailey. Second Row: Mark Davis, Rick Bills, Mark Fotheringham, John Wong, Tony Miller, Advisor.

This group of Highlanders took on a monumental task: the rebuilding of the agricultural farm facilities. Under the direction of Mr. Tony Miller, Advisor, many long hours were spent on weekdays and weekends alike drawing up new landscaping plans and clearing away remaining parts of the farm to make room for the new pens and stalls. Many thanks to this energetic group of students. Their hard work and time is appreciated greatly.

The Voices Of The Highlanders

Audio Club. Liz Pacela, Elliot Toombs, Helen Cicino, and Jeff Linam.

The Audio Club was composed of four members of the A.S.B. who were responsible for the daily morning announcements. These members were Helen Cicino, Jeff Linam, Liz Pacela and Elliot Toombs. The announcements communicated special activities, student reminders, schedule changes, club activities and meetings, scholarship deadlines, and campus events. The Audio Club was inspired to make the announcements more interesting with thoughts of the day, music, and narration to correlate with special events and occasions. Some of the more popular quotes remembered by the student body were "Think about it!" and "And maple bars". Occasionally, the student body was honored by guest appearances from Coach Rau, Mrs. Dutton, with her truly interesting advertising of events, and Mr. Garcia, with enthusiastic results. The Audio Club had reported many facts of interest in a most enjoyable way this year.

Technical Crew Lights Up

Technical Crew. Seated: Scott Stevenson, Melissa Sullivan. Standing: Scott Olson, Cinette Allen.

One of the least known clubs on campus has always been the technical crew. The students who devote their time and energies to be on the crew are rarely recognized, yet they are some of the most important people on campus. The technical crew is responsible for the technical aspects of a show or production, and without their presence, most plays and dance productions, would take place in a dark room with no sound. Throughout the year, the members of this crew work on the various fine arts productions setting up lighting, designing special effects and scenery, and mixing the sound. There were many students who devoted many hours this year. These included: Scott Olson, Scott Stevenson, Melissa Sullivan, Cinnette Allen, Steve Williams, Gregg Arnold, and Jay Attwood. This crew as led by head technicians Tom Leyen and Warren Burks, under the direction of Phil Franklin, volunteer advisor. Next year, the technical crew will be headed by junior Jim Borson. Many thanks go to the members of this very-important group.

Mixed Chorus Keeps On Singing

These terrific singers happily sing their tunes.

Mixed Chorus has kept up its reputation as being an exciting class for those who love to sing. Fall and Spring Concerts displayed the musical talents of the students participating in the performances. After the concerts were finished, students learned 29 songs that they could sing at tryouts for Scotscapades. Then, after completing the tryouts, they learned dances to be performed for the big musical in June.

Concert Choir's Fundraisers

Concert Choir is a club on campus, apart from its natural reputation as a very entertaining group. As a club, it raises funds to finance its biggest annual production, Scotscapades. The methods of fund raising are a little bit different from other clubs on campus, however. While most clubs are selling anything from candy to bagels, Concert Choir prepares itself and rehearses dilligently for its Fall and Spring Concerts. Songs are learned and practiced, and each concert runs two nights. The group only charges $2.00 a person for these entertaining evenings which include Drill Team and Band performances as well as Mixed Chorus and the highlighted Concert Choir. Most people in the community also have been benefited by the annual Christmas Concert, which was put on strictly for the alumni at no cost. Through these concerts the group is able to raise funds and add a little touch of art and song to the community.

Mr. Bill Dunton and his Concert Choir.

The Concert Choir belts out another song.

Members of the Concert Choir perform for the crowd.

Choral director Bill Dunton always draws the choir to peak performance.

Each year the music department puts on Scotscapades, a salute to four different Broadway musicals. The Scotscapades production is funded entirely through other shows sponsored by the music department. The Fall and Spring Concerts bring in a good portion of the money, as does the yearly student variety show. The variety show this past year was "Behind the 8 Ball", and was instrumental in financing the always-enjoyable Scotscapades.

A Victorious Band Prevails

The 1981-1982 school year brought a new look, excitement, and style to the La Habra United Marching Units. Under the direction of Mr. Jorge Garcia, together with Drill Team advisor Velane Bjorklund, Color Guard advisors Mr. Mark Chevrton and Mr. Greg Smith, and Drum Line advisor Mr. Steve Yates, the La Habra United Marching Units achieved and garnered an unprecedented slate of victories for La Habra High School. With the following awards, the Highlanders ranked as one of the best bands in California.

E.S.L. Adjusts Well

Ms. Virden helps Francisca Limon with some work.

The E.S.L. students came from nine different countries: Mexico, Cuba, Laos, Cambodia, Vietnam, The Republic of China, Japan, France, and Italy. Together they spoke almost as many different languages and dialects, and while some students only spoke a few words of English, the others were more advanced. Advisors Ms. Virden, Mrs. Mason, and Ms. Smith found teaching English as a Second Language very pleasing because of the students who were interested and anxious to learn. None of the teachers was bilingual, so the only language spoken in the class was English. Some of the more advanced students tutored the others. The students also learned about American culture and holidays, and hosted parties for the class to celebrate the most important ones.

Jennifer Breeden cheers with the crowd.

The 1981-82 school year proved to be very exciting for this year's Varsity Yell squad. After being selected in the Spring of 1981, the girls started preparing for their work at the United Spirit Association Camp in Santa Barbara. This task took many long hours because the girls were responsible for making up a cheerleading routine, selecting day and night uniforms, and making travel arrangements. The efforts were certainly a success as the girls came home with the famed "Spirit Stick". As school started, these young ladies developed much school spirit and morale. Cheering at the various games and setting up pep rallies helped to retain this feeling of pride in La Habra High. For this we will always remember them. Three cheers for these sensational girls!

The 1981-1982 Songleaders were certainly something special. Under the guidance of head song, Tiffany Miller, the girls worked hard to generate school spirit. In preparation for the new school year, the songs attended the United Spirit Associations Cheerleading Camp in Santa Barbara. Learning, practicing and perfecting new routines was the key to the songs' success as they brought home a "Superior" trophy for their efforts. La Habra High School is very grateful for such a spectacular squad!

The J.V. Cheerleading Squad, comprised of six sophomores, was definitely one of the best we have seen throughout La Habra's history. With the training they received in Santa Barbara at the U.S.A. Cheerleading Camp, the girls worked hard to develop their own style and distinct identity. The squads' uniqueness had much exposure as they were responsible for cheering at both Freshman and Sophomore sporting events. Congratulations to a very talented and vivacious cheerleading squad for a successful and spirited year.

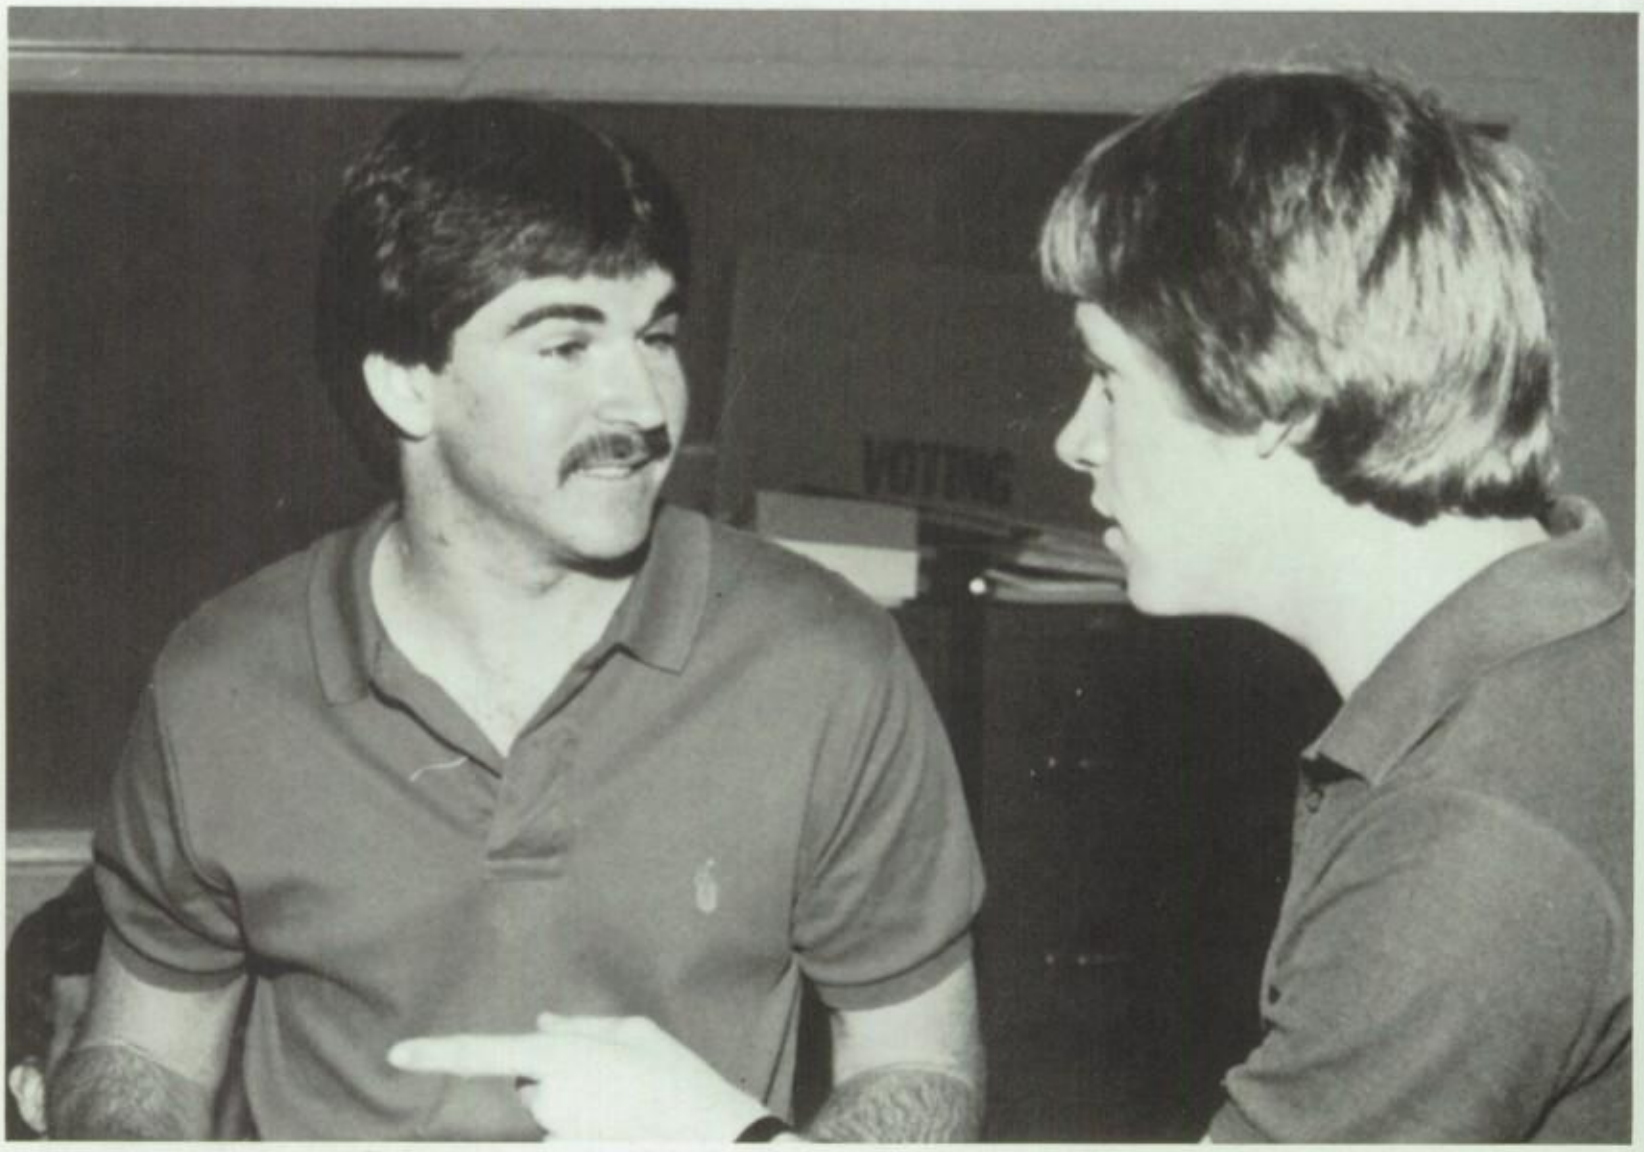
Organized Activities



ASB Vice President Greg Golden confers on school clubs with treasurer Pat Prendiville.

This year, the ASB decided to create a new governing body for all of the school sanctioned clubs on campus. The previous governing body was the Student Senate, where representative senators were selected from the classroom. Members of the ASB this year felt that this particular structure was lacking in providing true representation for the various peoples and organizations on campus, and so built the Inter Club Council, or ICC. ICC functioned as a cabinet of sorts, with one representative from each contributing organization - be it a social, academic, athletic, or service-oriented group.

The wide variety of clubs available for membership at LHHS provided for active student involvement in most areas of high school life. A contributing school organization was one that actively provided for fundraising in its own special interest area. With the money raised, the individual clubs, now economically independent, sponsored activities to benefit the entire student body as well as their own membership. Whatever the group or its goals, these organizations and the activities they sponsored enriched the student-life atmosphere at LHHS.

Some of the major activities sponsored by these groups were the annual dances - Sadie Hawkins, Homecoming, and Prom - student assemblies and pep rallies, Friendship Day, dance and musical productions, and interesting field trips rangings from science to dramatics. These clubs also provided services to the school by selling refreshments and cleaning up after athletic competitions, running Orientation Day for new and incoming students, and raising scholarship monies for deserving students.

Enthusiasm, thanks, and continued support of these organizations allowed La Habra High School to continue in its prestigious tradition of academic excellence, athletic achievements, service, and Highlander pride.

Halloween Haunt Hits La Habra

Michelle Clifton and Marlene Eller "Smiling in the Rain".

Students enjoying the "haunted festivities".

The Halloween Dance, which was held in the Stirling Gym on Oct. 23rd, 1981, after the La Habra/Sonora football game, was one of this years' most successful dances. Sponsored by both the PTA and the A.S.B. Cabinet, the Halloween Haunt generated much enthusiasm and energy. This was illustrated by the students as the "slammed" to the beat of Torsion. Also included in the excitement was a "death booth" in which death certificates were given out to brave participants. Congratulations to both the PTA and the A.S.B. Cabinet for their successful evening.

The 1981 Homecoming court beautifully represented a mark in new tradition for the La Habra Student Body. The Senior class was represented by Robin Hanna, the 1982 Homecoming Queen, and three Princesses: Maria Calabretta, Kathy Manriquez, and Tiffany Miller. Marking the new tradition were Patti Dalton, representing the Junior Class; Tammy Springer, representing the Sophomore Class; and Gretchen Gieger, representing the Freshmen Class.

This year our football game was played against Fullerton High School on Friday night, November 6, and the Homecoming dance was held on a Saturday night, November 7. The dance was a night of fantasy and romance in which couples swayed in harmony to the music of Eclipse. This night will remain in the hearts of those who attended as a pleasaant and romantic evening.

Prom 1982, "A Touch of Class", was held at the Coconut Grove of the Los Angeles Ambassador Hotel. The magical evening began with registration and pictures at 5:00 p.m. After dinner, which began at 7:00 p.m., the couples danced to the music of "Gem".

10 o'clock marked the beginning of the Coronation Ceremony as Sheri Crane and Karen Anderson sang the Prom Song "Endless Love". Angela Garay, Mistress of Ceremonies, introduced the Crown Bearers Brooke Levin and Lance Koehler, the 1982 Prom Court and King and Queen Rob Moomaw and Deanna Brady. Following the ceremony the court, which consisted of seniors Becky Gutierrez, Dave van Breemen, Janine Mason, Rick Bills, Kirsten Muci, Bob Shelton, Delise Burgess and Jeff Linam, danced to the royal dance. At 12:00 the Prom ended, shifting the scene to the Buena Park Hotel. Breakfast was served buffet style and dancing continued until 4:30 Sunday morning.

Many thanks are in order for the Jr. Class Officers, Jr. Class Advisors, and PTA for their time and effort in making Prom and Prom Breakfast a most enjoyable event.

Donna Eisenhower starts up the slam.

In keeping with tradition, La Habra High School put on this year's variety show "Behind the 8 Ball". The show, under the direction of Edmund Velasco, was performed January 13 thru 16 in the Lecture Hall. The show included songs such as "The Beach Boy Medley" and "Tell That Girl To Shut Up". Another unique feature about the show was the choreography that was directed by Dodie Escobedo and performed by eight other girls. Over all, the show as a great success.

The Spring Dance Show entitled "Lights, Camera, Action", was a real tribute to the many talents of the dancers at LHHS. The production ran from March 16 to 20th and was performed in the Lecture Hall. The strenuous rehearsals drew out the abilities of the girls and displayed them at showtime. Congratulations were deserved not only by the performers but by Miss Keys, the new dance instructor. Miss Keys came to LHHS at the semester and her first-ever production at LHHS proved to be a very good promise of great dance productions to come!

On January 5, 1982, from 8:30 pm to 11:30 pm, the A.S.B. and PTA sponsored a "Ski-Bum" dance. The dance was unique because it was held on the tennis courts and featured two bands, the Tazers and the Vectors. Students and friends arrived dressed up as skiers in anticipation of a radical night. They were not disappointed as they danced with uncontrollable energy throughout the evening. Congratulations should be extended to the A.S.B. and the PTA for sponsoring such a successful activity.

Scotscapades 1982

The gym is quiet and still before set-up begins.

The spirit of Scotscapades is captured in a can of paint.

Choreographer Mauri Katz calls attention - Dunton style!

First there was "Icecapades", then "Escapades", and now - "Scotscapades"! Each show had its own flavor, its own appeal, but Highlanders will forever remember Scotscapades as their special favorite.

Scotscapades is not a Highlander tradition alone. Many fortunate people in the state of Washington can remember the show as their favorite also, though then performed under another name. Scotscapades, as we Highlanders know it, was the brainchild of Mr. Bill Dunton and Mrs. Marian Ingersoll. Both are teachers here at La Habra High School, with Mr. Dunton the popular director of the Music Department and Concert Choir. Mrs. Ingersoll used to be the band and orchestra director when she first came to LHHS. She is now an instructor in the Special Education Department working with aphasic students. These two very special people taught at a junior high school in the state of Washington, and began directing a show much like our own student variety shows with their students. It was an evening of entertainment - a conglomeration of popular songs and musical numbers. Then the two instructors moved to Southern California, and brought their show with them. They began teaching at LHHS, and suggested their idea of a student variety show to then - principal Mr. Keuscher. Mr. Keuscher liked their idea very much, but thought the show needed a name. "Scotscapades" was born. Mr. Dunton and Mrs. Ingersoll thought the show could use standard scenery and would be more entertaining if they performed popular musicals instead of a variety of songs. That was how Scotscapades went "Broadway", and the first-ever LHHS production of Scotscapades was in 1961.

Behind The Showmanship

There is a lot more to Scotscapades than singing. The part of the show which provides non-stop entertainment is the orchestra. This year's orchestra was conducted by band director Jorge Garcia. Mr. Garcia and the members of the orchestra began to learn the 29 songs in Scotscapades around semester break. Along with the 29 songs from four different Broadway musicals, the orchestra must also learn interludes for between shows and the finale, "There's No Business Like Show Business". The countless hours of rehearsal and practice, both at school and at home, lead to a polished performance in the late spring show.

Scotscapades is unique in its wide range of appeal. Many band and orchestra members are offered a look at, and an opportunity to play songs from Broadway shows they otherwise might never have been exposed to.

in the gym.

Soloist Kari Lynn Gillis rehearses her song "Adelaide's Lament".

Audiences come from Scotscapades performances with good impressions of the show, but the hard work behind the good performance, the hours of instruction and practice, are seldom realized by anyone but parents and students. When a person is chosen for a Scotscapades solo, song or dance, the weight of showmanship then falls upon them. It is not so much that their particular number be flawless, but there is a responsibility to do their very best so the singers and dancers around them do not have to be embarrassed or ashamed of their performance. It is a feeling of responsibility toward the entire cast which makes the show run smoothly. That togetherness and care for other people is what makes the show shine, and that's why the audience can walk away with good impressions. None of that would be possible without the diligent rehearsal and hours of practice. Choreography was done for Scotscapades 1982 by students. These students taught members of the Mixed Chorus and Concert Choir their dances. Each class can participate in the general floor dancing during the show. Special solo dancing is done by tryout, and the tryouts are open to anyone who attends LHHS. Solo performers are also chosen through tryouts, and again, anyone in the entire school may try out.

Students in the music classes learn dances for Scotscapades.

Setting The Scene

Once the scenery triangles are nailed together, students must paint them white for the new scenery design.

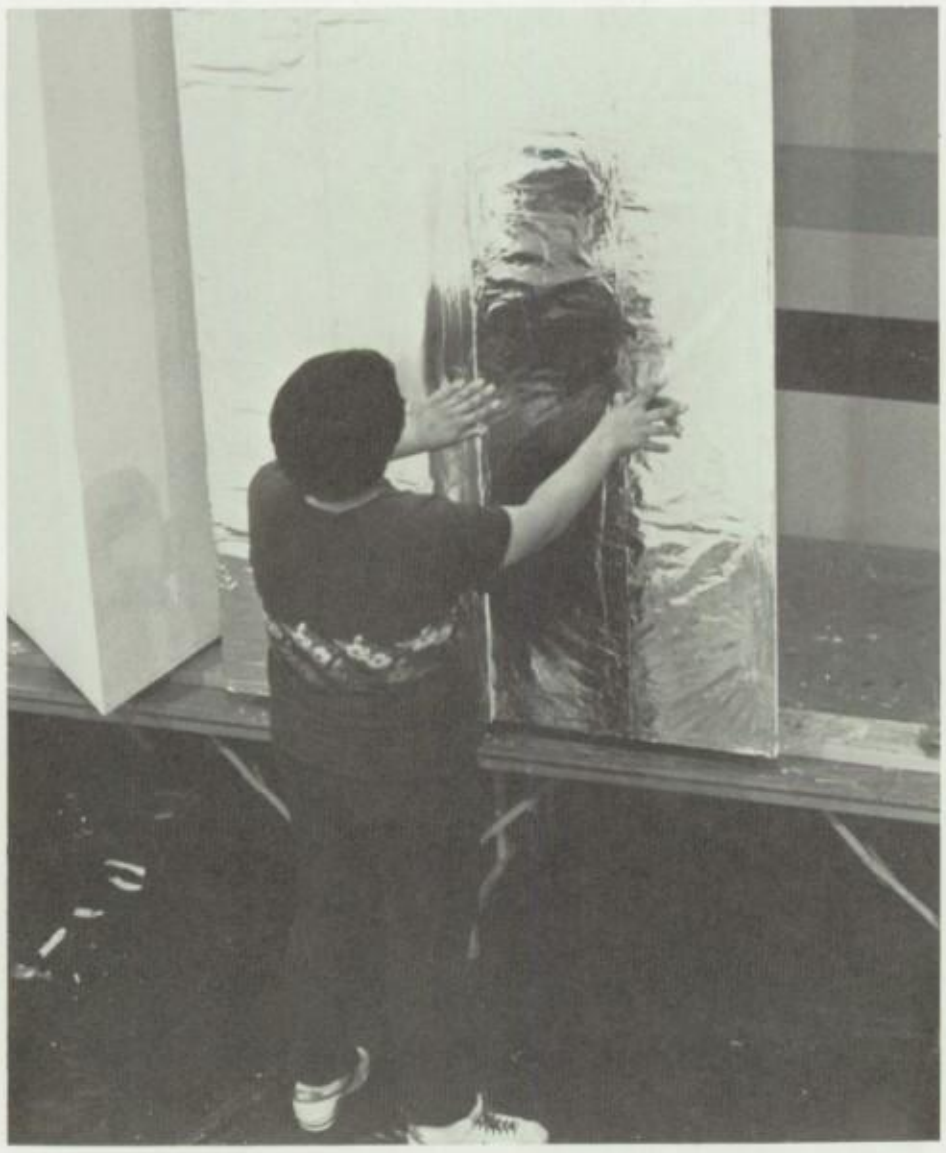
Sheri Crane and Frank Carrillo try to get last year's scenery off triangle so it can be re-painted.

Samantha Katz and Ken Skyles assemble the scenery triangles.

The gym floor is covered with plastic for protection a paneling for painting!

Detail painting is done in fluorescent on the set for "Guys and Dolls".

The scenery triangles are mounted on bases which turn to allow the different sets to be seen.



Rodney Munoz reflects on the special foil scenery for "Gypsy".

Scotscapades is an evening of entertainment with four Broadway musicals highlighted. Each musical has its own special scenery design and setting. These are designed and drawn by Lynn Dunton, Art Director. Mrs. Dunton is the extremely talented wife of Mr. Bill Dunton, Scotscapades director.

Students help in assembling the scenery triangles and then mounting them on risers at the east and west ends of the gym. Three musicals are drawn on each side of the triangles, and a fourth set is drawn on a black plastic/paneling combination. This fourth set is held by ropes and lowered for its musical, then raised again behind the plastic covering.

The painting of the sets takes about two weeks to complete, and it is one of the most enjoyable experiences Scotscapades has to offer. All of the work done to put the show together - painting, set-up, or technical work - is open to anyone who wants to help. Students who want to work on the show can also earn units for their work after school.

The wonder of Scotscapades is illuminated by 174 stagelights hung over center stage and dance floors. Technical Director Phil Franklin oversees the hanging, gelling, and aiming of the lights and roughly three miles of cable run to them. Soloists and solo dancers are highlighted by eight travel (follow) spotlights. The eight spot operators are students who stand throughout the entire two hour show and listen to cues and instruction from technical advisor Scott Ward over headsets. The three miles of cable run to power all of the lighting and special effects in the gym is carefully laid out according to blueprint along the structure beams in the ceiling. The cable then drops below the bleachers, where it is connected to dimmer packs and, finally, to the main control board. It takes well over 1,600 manhours to complete the set-up for the technical side of Scotscapades. That figure does not include the brainstorming time, "trouble-shooting" time, or actual rehearsal and showtime. Members of the technical crew put in an unbelievable amount of time and work to enhance the performance.

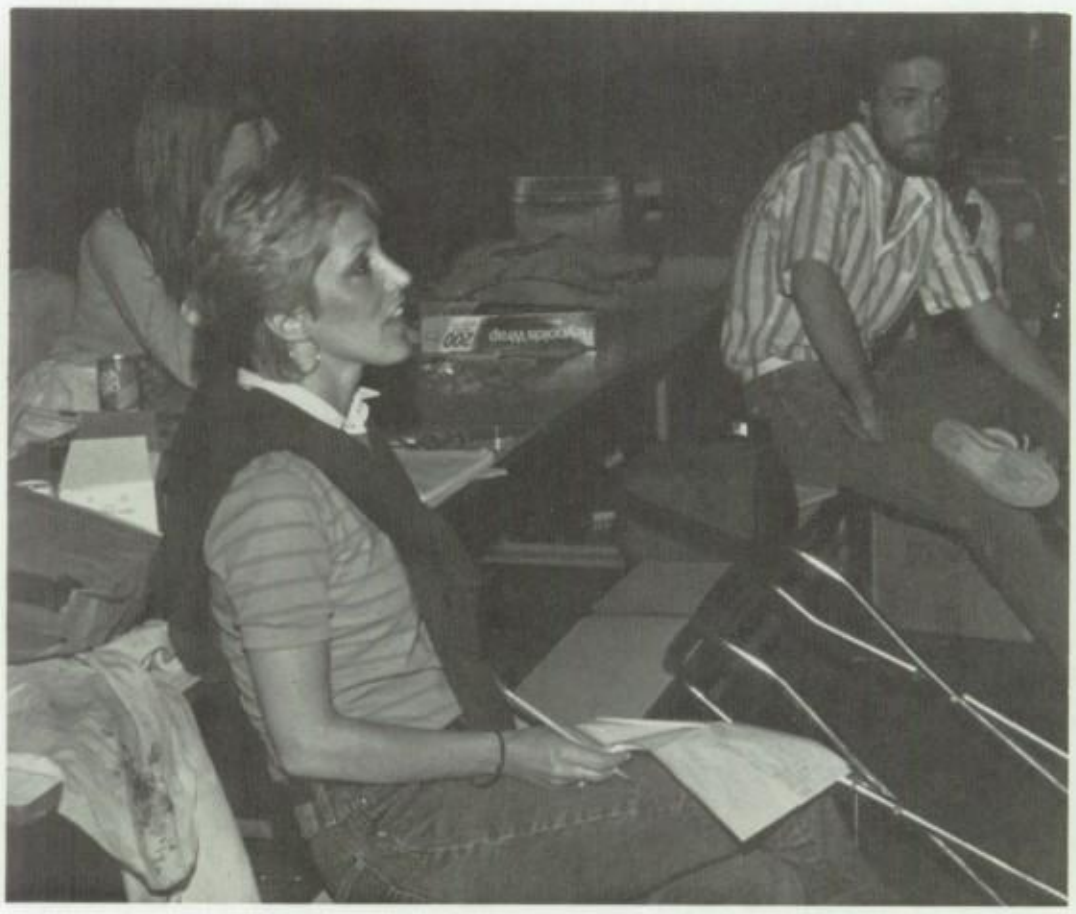
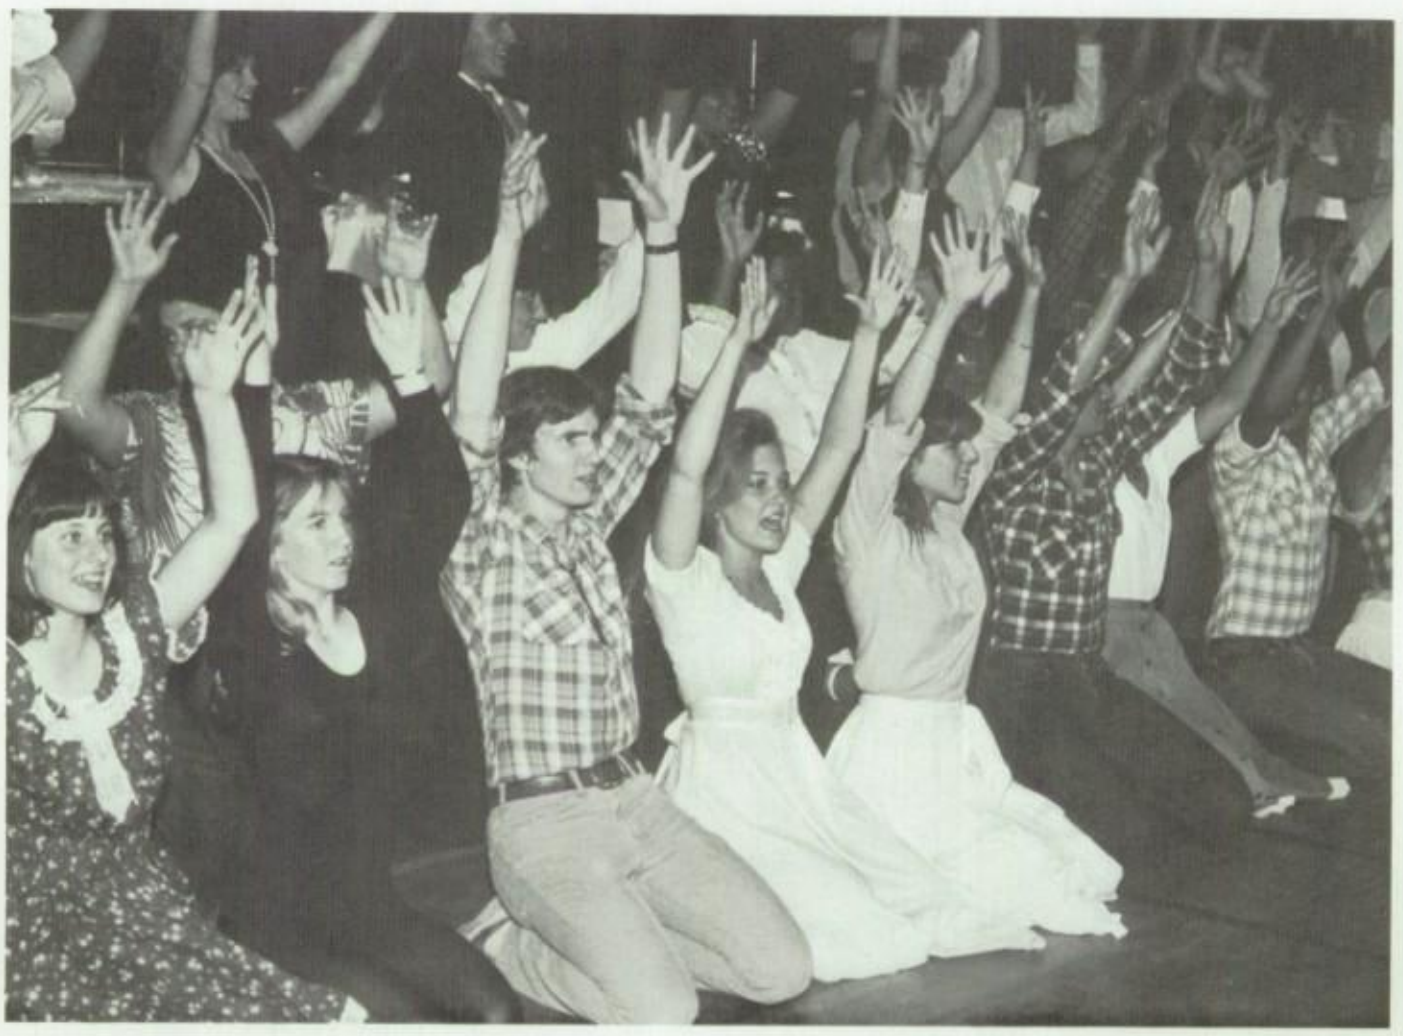
A Willingness . . .

The 1982 production of Scotscapades highlighted the four Broadway productions: Flower Drum Song, Guys and Dolls, Gypsy, and The Most Happy Fella.

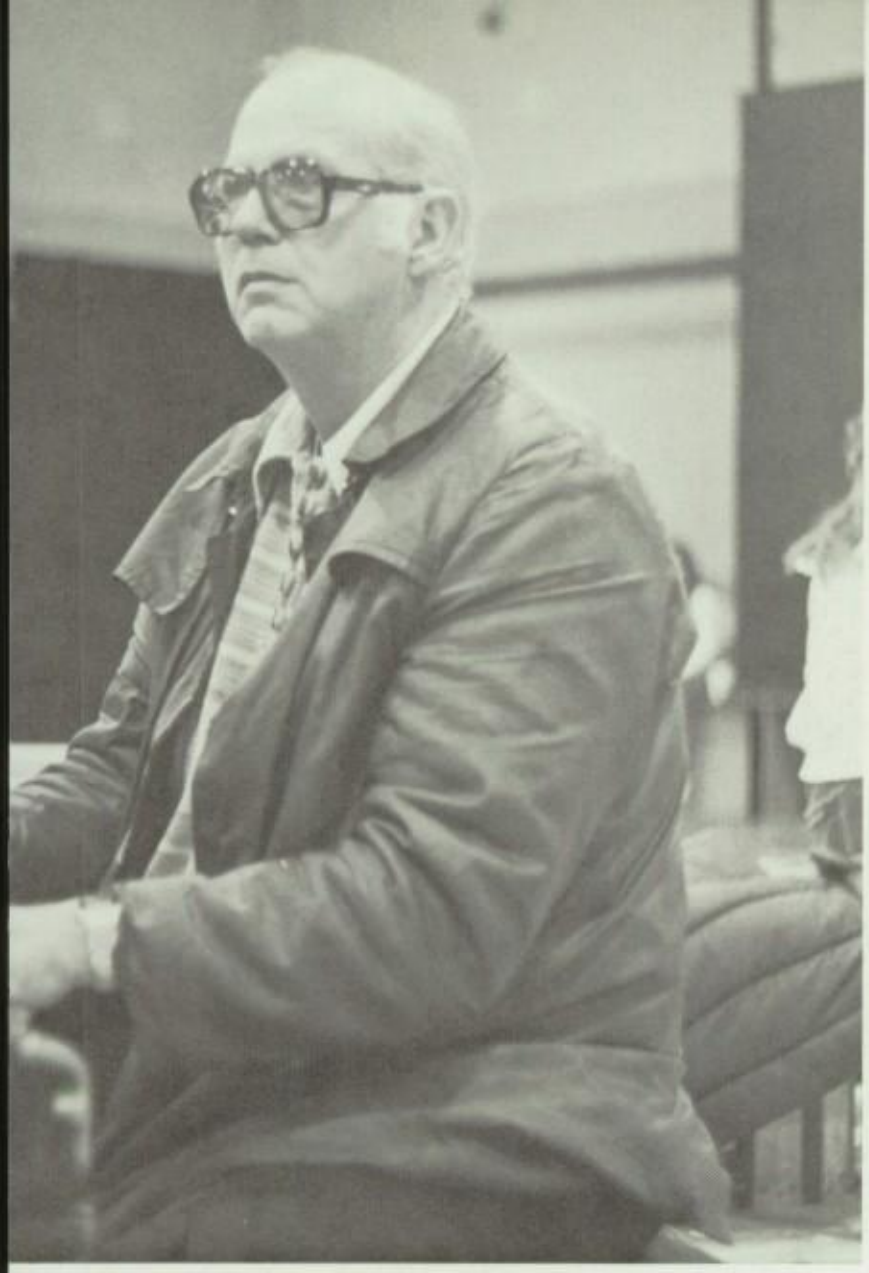
The LHHS Music Department presented Scotscapades 1982 on Wednesday through Saturday, June 2 - 5 in the Stirling Gym at 8:00 pm.



Dance Consultant Karen Keys watches the rehearsal.



Let's go on with the show . . .



Mr. Bill Dunton

The first Scotscapades done at LHHS was in many ways very similar to the twenty-first production done this past year. However, in 1961, the stage was pushed up against the west wall of the gym, and the dance floor took up the rest of what is normally the basketball court. The entire show was lighted by twelve spotlights mounted on posts around the gym. The entire cost was only about $200.00.

The twenty-first production had centerstaging, a circular dance floor around the basketball court, and 174 professional stagelights illuminating the whole scene. The rough estimate as to the cost of Scotscapades 1982 was $9,000.00. Almost two-thirds of that cost is due to the technical budget which includes the rental of the sound and lighting systems.

The differences between the two productions are obvious - but the similarity comes in the people and the spirit of the show itself. Lynn and Bill Dunton have been producing and directing every Scotscapades since 1961. Mrs. Dunton is primarily responsible for the scenery and costume designing. Beyond those time-consuming responsibilities, she does all of the checks and balances, making sure the show is coming together properly and on time. She is also one of the "big dreamers" behind Scotscapades and the ever-improving art and lighting special effects. "Everyone else involved in the show seems to suffer from tunnelvision - but not Lynn," said Mr. Dunton. "She has that remarkable quality of being able to see all. She sees into the future and way beyond what is now and what is practical. Lynn and Bob Shoup (Set Construction Director and head counselor at LHHS) are not bound by what is possible. They talk about what they want to do with the show and somehow they manage to get it done."

Mrs. Lynn Dunton

To the Duntons, Scotscapades is one of those marvelous opportunities for kids to get involved and succeed at something. Mr. Dunton said, "Every kid is deserving of that feeling of success - with some kids it comes naturally. I'm just amazed to see all of those other kids try something and get recognition for it. For some of them, it may be the only time they receive recognition for anything. They're doing their thing and being successful." For Mrs. Dunton, Scotscapades is more than just an exciting time. She has fun being with the kids and likes the aliveness of the show. Besides Scotscapades there is a chance to touch a few lives in a special way. She says there are always a few lives which touch her, also. "I am amazed by the total willingness of people. People who have never painted before help paint the scenery. I am amazed at the willingness of kids who go climbing around the ceiling putting up the wires and the lights." But there is more to it than just willingness. It's what is inside of the kids that allows them to be willing to help, however, they can and have fun doing it. Mrs. Dunton said, "There are absolutely good feelings about Scotscapades - feelings that allow people to go out and wear crazy costumes and perform in front of an audience and still feel good about themselves."

There is such an outflow of love and togetherness experienced by everyone involved in Scotscapades. Much of this love is given by, and directed back toward the Duntons. Mrs. Dunton said, "Bill Dunton is the only one unreplaceable in Scotscapades. He pulls all the loose ends together. That's so important because if the smallest thing about the show isn't finished or polished at showtime, it passes down to the kids and the whole spirit of Scotscapades fades." That has never happened though, because of the unique personality of Bill Dunton. His modesty about the show further compliments him: "The only sense of power I have about Scotscapades is that I have a key to the electric cart!" Scotscapades is a show for everyone, made possible by everyone. The Duntons stated: "Scotscapades is a gift we give ourselves."

Clan Had Successful Season

Front Row: John Amick, Ron Poole, Aaron Velasco, Walter Beran, Chris Baxter, Lance Buffington, Tim Corral, Steve Kalpakoff, Mike Parritt, Frank Pedulla, Jeff Lowe; Row Two: Special Teams Coach Dan Torres, Defensive Coordinator Tony Miller, Head Coach Vince Senik, Randy Gonzales, Steve Carr, Craig Rude, Will Segovia, Dan Payton, Doug Denhart, Bill Tezak, Scott Mitnick, Alan Hill, Greg Irizarry; Row Three: Trainer Scott Hefner, Offensive Back Coach Jack Nicholls, Defensive Back Coach Gary Pugh, Steve Klein, Anthony Weatherspoon, Craig Lashley, Greg Olson, Rob Moomaw, Bob Vandergriff, Shawn Cadreau, Steve Summers, Jay Attwood; Row Four: Jim Collins, John Trevgoda, Randy Jackson, Rick Bills, Steve Luzzi, Bob Peppard, Louis Zuniga, Les Ellison, John Grippi, Scott Wilkie.

This season the Varsity Football team was named co-champion in the Freeway League, sharing the position with Fullerton High. This was a young team with many good, but inexperienced players. The coaches and players expected the mistakes that usually go along with inexperience. The delightful surprise was that there were fewer miscues than originally expected. The team lost only two games in league, one given back on a forfeit that Head Coach Vince Senik called "poetic justice".

There were many outstanding performances turned in by the offensive line which provided protection well beyond expectations.

La Habra had six players on the first team All League, one fewer than Sunny Hills, who had the most. With nine players on the second team and honorably mentioned, La Habra had fifteen players recognized by the league's coaches as the best in the league. Two of these players were named to the All-North Orange team; Steve Klein, a junior, and Scott Wilkie, a senior. Klein was also named All-County for his play at defensive back.

The most improved and most inspirational players on the team were Rick Bills and Lance Buffington, respectively. The most valuable player was Shawn Cadreau for his excellence at tailback and linebacker.

La Habra High School Varsity Football team made a trip to the CIF playoffs for the first time in five years. Anticipation began to mount when La Habra drew the second top seed in the league, Lynwood High School. The key to defeating Lynwood seemed to be to play physically and with a few mistakes as possible. The first half saw some hard hitting action, but the same key mistakes stopped the near-perfect La Habra drive, ending the first half in a 0-0 score. This in itself was an accomplishment in that the highly rated Lynwood team had not been held to a scoreless half all season. This was achieved through the hard efforts and team play of Steve Carr, Shawn Cadreau, Steve Summers, and Bob Peppard; La Habra's Players of the Week. The scenario changed in the second half when Lynwood scored on a 76 yard run. Lynwood's backfield speed began to take its toll as the La Habra offense faltered, and soon the score was 19-0, Lynwood. Later in the game, Bob Peppard, acting as a courageous quarterback, led his team downfield to connect with backfield player Randy Gonzales for a final game score of 19-7.

The sophomore team, guided by Coach Quesada and Coach Reynolds, had a very successful season. They finished the year with a 6-3 record, ending the season with a close and thrilling game in which they lost the League Championship. Outstanding achievers include Clint Hubbard and Gary Paiz, Most Valuable Players; and Steve Simmers, who was named the Best All-Around Lineman. With the talent the sophomores displayed this year, next years' varsity team should have some very exciting games.

The Freshmen football team, guided by Coach Sutton and Coach Matsushige, showed good sportsmanship during the season. For their first year at La Habra, the team expressed good teamwork and play execution. The Freshmen team had impressive players such as Most Valuable Player, Joe Leal, who played linebacker on defense and running back on offense. With the ability the freshmen displayed, La Habra's future football program will prove to be competitive.

Clan Keeps Their Pace

The Clan is off to a good start.

Todd Self, John Hubler, Bob Philbrook, Ken Reineky, Bob Shelton, Jim Hooper, Ken Balsley.

The Varsity had only two returning lettermen, Bob Shelton and John Hubler, who were the team's top runners. They did not have much experience since many new competitors went out for the sport. Using this season as a year of rebuilding, the Clan should be impressive next year. Although their record did not reflect it, the team was able to benefit from their season.

The Frosh-Soph Cross Country team had many freshmen who came out as beginners. In contrast, there was only one returning sophomore on the team, Mike Rainey. They competed mostly against sophomores, thus giving the opposition a slight advantage in experience.

The move into the Freeway League was similar to the previous year where competition was very fierce. They beat Fullerton at the League Finals, but were defeated by other teams, trying their very best.

Top runners were Rick Navarro, Tony Rosso, Eric Luedtke, Mike Thompson, and Kent Hurley. Coach Winklemann is looking forward to next year if the same number of freshman come out and participate. Looking back, it was a season of rebuilding.

Varsity Water Polo at La Habra was not too successful this year. The team's plight was directly related to student participation, according to coach Ron Davis. In spite of this, the team seemed to pull together at the end of the year. Since many of the players were only first or second year players, it took them some time to grasp the way the game is played. One reason why many of the games in the beginning of the season were not very close was that the goalie had never played a water polo game before, and that position requires much practice and experience.

The Most Valuable Player on the team was Steve Williams, the only four year player on the team. Steve was also a second team All-League selection.

Davis summed up the season by saying, "All of our players, in the end, turned out to be highly competitive water polo players; but lack of experience caused the won-loss record."

This years' Frosh-Soph team in Water Polo played admirably for the inexperienced squad that they were. Throughout the year, the team picked up valuable experience during their games and practices.

Although the outcome of the game was not always favorable, Coach Ron Davis considered the season successful. "If this group plays again next year, we'll be good."

This year's Varsity Basketball team was very successful. Beginning the season with three tournaments, the Clan brought home three trophies. Starting off on this winning note, the team went on to one of the most successful seasons Coach Tex Wallis has ever had.

The Clan entered the C.I.F. Tournament of Champions with a 18-6 record and a League Championship. The only loss suffered by Wallis' Highlanders in league was to Fullerton High's defense oriented team. La Habra High secured it's League Championship with a tremendously exciting victory over Sunny Hills High. The Clan's 9-1 record barely beat out Sonoroa's 8-2 mark for the Championship. Even the 18-6 record is misleading; two of the losses were forfeits caused by a player who played for a church league which is against C.I.F. rules. The player was subsequently removed from the team.

"This is one of the teams in which each of the players has accepted their role," said Coach Wallis. "It has been, naturally, a successful season. Any time you have three All-League Players (John Mangels, C.J. Sciacca, and Bobby Vandergriff) and two honorable mentions (Bob Peppard and Dave van Breemen), you have something going for you."

Coach Wallis was also the Freeway League Coach of the Year. Of this award Wallis said, "My daughter could have coached this team and they would have gone to C.I.F."

Varsity Sweeps League

Jeff Pugh out-muscles his opponent.

C.J. Sciacca eludes the defender.

One of the main obstacles that faced the Highlanders was their height disadvantage. Dave van Breemen was the smallest starting center in Orange County. But the 6'3" senior often out-jumped his taller opponents at the outset of the games. Still, La Habra was often outrebounded on the boards. Surprisingly enough, C.J. Sciacca was the team's leading rebounder, not to mention the team leader in assists.

This year was the fourth time Coach Wallis has taken his team to the C.I.F. Southern Section Semifinals. This team has gone as far as any team in La Habra's history; but with luck and determination, future teams will surpass this amazing accomplishment.

The Varsity Basketball team played remarkably well in C.I.F. action this season, going all the way to the Semi-finals. They were the fourth team in La Habra's history to do so, the first since 1977. The team reached so far with exciting victories over Anaheim, San Luis Obispo, and Victor Valley.

The Anaheim game, which was played at La Habra, was fairly even until the final minutes when the awesome offensive attack of the Highlanders took charge. The victory over Anaheim set up "The Journey." The trip to Morro Bay was 230 miles each way. Still, 200 or so die-hard fans followed the clan to see them escape with their lives and a tiger pelt. The San Luis Obispo Tigers were very formidable opponents. Surprisingly enough, it was the Highlanders' greatest weakness that help them beat the Tigers. The last minute free throw shooting of C.J. Sciacca was the key to this victory.

Then came the Victor Valley Jack Rabbits. Unfortunately for them, a Highlander is quicker than a jack rabbit. The Clan, not so politely, blew them out of the gym. The amount of fan support at Troy High's gym was amazing. In the Long Beach Areana, the Highlanders met another good team, Capistrano Valley. The Eagles played good defense and benefitted from a few calls made by the officials, who in the words of the Los Angles Times, . . . "Called enough fouls to last until Saturday." Ironic though it may seem, perhaps Valley was just retaliating for their season opening loss to the Clan. In any case, the Highlanders had a basketball team that they could be proud of.

J.V. Displays Enthusiasm

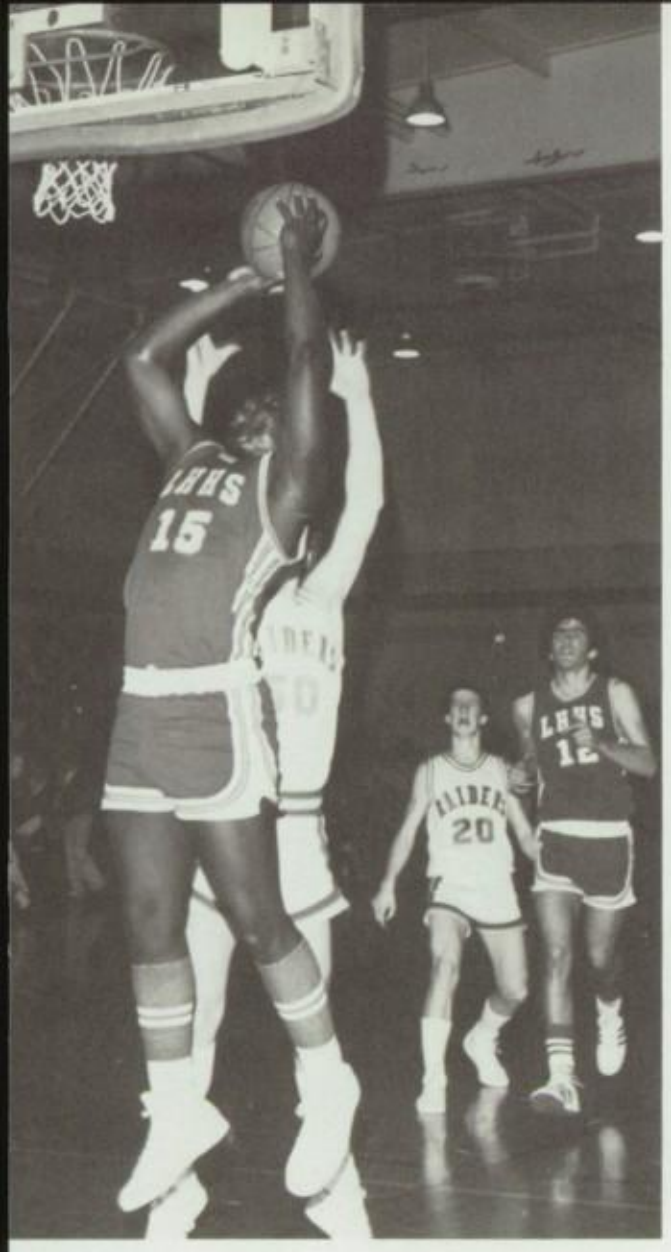
Wendell Hansen, Jose Delgadillo, Scott Henderson, David Brown, Randy Jackson, Wes Maxwell, Tony Weatherspoon, Bob Drake, and Coach Stone.

The Junior Varsity Basketball team at La Habra had a winning season this year. Although they were outscored in six of their ten Freeway League games, Coach Stone's team still came out with an 11-8 overall record, with an impressive 7-2 preseason. Their league record earned them a tough fourth place.

The teams' Most Valuable Player was Sophomore Bob Drake. He was the most consistent player on the team. Bob was the top scorer and rebounder. Randy Jackson was the Most Improved Player on the team.

Coach Stone said the teams' biggest problem was inexperience. "I felt it was a good year. This group was the best bunch of kids I've ever worked with."

During halftime, Coach Stone confers with his team.



Anthony Weaterspoon (15) displays power.

The Frosh-Soph League was so balanced this year that two other teams also wound up 5-5. Unfortunately, Sunny Hills lead the pack with a 10-0 record. The team also entered the Whittier Christian tournament and took First place consolation.

Coach Tim Dranginis had this to say about his season. "Overall, we had a very competitive season and worked hard. I am sure some of these athletes will go on to help future Highlander sports."

The team's Most Valuable Player was Sophomore Robert Berg, who led the team in scoring and rebounding. The Most Improved Player was Mike Bearden, who started playing basketball this year.

Wrestling is one of the most physically demanding sports in athletic competition. Due to the extreme importance of the physical condition of a wrestler, practices tend to be long, exhaustive, and grueling. Many wrestlers also must maintain a strict and limited diet in order to keep their weight below their desired weight class. It is true that most wrestlers are winners regardless of their records.

This years' team demonstrated that first year coach Kirk Matsushige has a unique ability to draw out the discipline and winning attitude of a championship team. The performances by his team members brought about the first league championship a La Habra wrestling team has ever earned.

Although being League Dual Champions, a new Freeway League ruling stated that the championship team was to be determined at League Finals. LHHS was losing going into the final round of the league tournament against Buena Park, but a fantastic effort by the seven wrestlers still in competition brought us to a tie; thus making us league champions because of a better overall record throughout the season. Those qualifying for the CIF tournament were sophomore Paul Iwane, juniors Tony Quon and Steve Klein, and seniors Dan Kirylo and Rick McMinn, but congratulations go to all wrestlers for a fantastic season.

The Varsity Soccer team performed impressively for the first year our school has competed interscholastically. If La Habra had pulled out a victory over Sunny Hills, the last game of the season, they would have been in the C.I.F. playoffs.

The Highlanders defense was one of the most highly touted in the Freeway League. Heading the defensive charge were David Flores, Adrian Loyo, and Bill Axelson. Going up against this trio, the opposition found it tough scoring goals.

When the team's workouts began, Coach Dan Arroyo had some problems concerning teamwork. But, through strenuous workouts, the group of players jelled into a first class soccer team.

Bill Axelson and Adrian Loyo were the coaches' picks for first team All-League with David Flores and David Brady chosen for the second team. The players who were selected for Honorable Mention were David Delgadillo, Danny Bartola, and David Quirarte.

The Varsity Baseball team had a successful year with a 14-11-1 overall record, and an 8-6-1 standing in league action. One major factor of this winning season was the hitting of pitcher/outfielder Craig Robison. Craig led Orange County players by hitting .438 for the season, with three home runs and twelve doubles. His record on the mound was 5-1, and he was also named the Los Angeles Times *Orange County Player of the Week for the first week of the season.*

Another factor at the plate was first baseman Rick Bills, also known as "Zorro". Rick hit .342 and slammed four homers. Rick started the season off right by hitting a grand slam in the second game.

Third baseman Doug Bergen led the team in runs and at bats, with 15 and 83, respectively. He became the lead-off batter about halfway through the season and did well at the top of the scorecard. Doug also fielded exceptionally well, making only two errors at his third base position throughout the season. The driving force behind the team was captain C.J. Sciacca. C.J. did not have the truly outstanding season he was capable of at the plate; but many a shortstop would have loved to have the year he had. His fantastic range at his well-practiced position saved many a pitcher's neck. Also displaying efforts worthy of note were pitcher Kirk Folliott, who led the team in strikeouts with a total of 37; Mike Parritt, who came on to hit .333 in league; Jason Neff, who pitched well in the Easter Tournament and throughout the season; Tim Corral, who improved immensely to make himself one of the best league catchers; Randy Gonzales, whose range in center field prevented many a hit; Todd Treuman, who had many clutch hits; and Dave Clements, who led the team in two areas: hit batters, and the lowest ERA, with 6 of the first and a .172 mark in the other.

One of the highlights during the course of the season was the Anaheim Lions Easter Tournament. The Clan began the tourney against the team they had faced in the previous year, Long Beach Poly, and lost to Poly 8-3. After playing Buena Park to a 3-3 tie, and advancing on total bases, the Clan faced Troy, another Freeway League foe. The La Habra Varsity Baseball team won the consolation division with a 5-3 mark over the Warriors.

Sciacca were named to the first team with Rick Bills and Doug Bergen named to the second team. If it was not for Freeway League Player of the year, Mike Willes from Fullerton, Doug would have been first team. Three Juniors were named to the Honorable Mention category. They were: Tim Corral, Jason Neff and Mike Parritt. Congratulations to all.

This year the Varsity made C.I.F. for the first time since 1979. The team drew Santa Ana Valley, co-champion in it's league, for the first round. La Habra had to travel since the team came in second and Valley came in first. The team as a whole was very confident going into the game and with good reason; they beat Santa Ana Valley 6-5 during the Loara Tournament at the beginning of the season. Since he defeated them before, Craig Robison got the starting assignment. This time, however, Craig did not have his usual superior stuff and Valley took advantage of it. Other than a slightly rough first inning, Craig held them at bay. Valley's pitcher shut out the highlanders until Mike Parritt knocked in a run in the seventh with a 350 foot triple.

The Junior Varsity Baseball team had a good season with an overall record of 10-9-1. Their league record was 8-7. Throughout the season, the team's batting average was .270 (a good mark for any team.) The team leader in hitting was Jon Haines with a .388 mark. Also playing exceptionally well were Steve Carreon, who batted at a .340 rate; Dave Hancock, who hit .293 and was named the Most Improved Player; Mark Sunada, who hit .302 and was named Rookie of the Year; and Dan Paolinetti, who hit .340, tied for the team league in RBI's and was named the team's Most Valuable Player.

Coach Vince Senik along with Assistant Coach Tony Miller agreed that the team was very hard working and will be successful on the Varsity level. "They were a good group to coach," said Senik.

As usual the Clan had another great year in the tennis department. La Habra, under the guidance of coach Gary Wright, qualified for C.I.F. for the fourth straight year. La Habra has had good teams in the past, but this year's team showed great amounts of teamwork and good sportsmanship. Hopefully in the years to come, La Habra will produce excellent tennis teams to dominate the Freeway League again.

This year La Habra, as usual, had a triumphant Junior Varsity tennis team. After winning eight matches and losing only two, they won the Freeway League title without much difficulty. The team showed excellent sportsmanship and strong desire to compete during the past season. By looking at the impressive results, the Highlanders can count on a successful Varsity team for the 82-83 season.

Despite an excellent performance by junior Mike Luevano and the combined efforts of all members, the Varsity Swim Team encountered a disappointing season. With returning varsity members and several outstanding swimmers from the Frosh-Soph team ready to move up, next year's season looks good.

The Freshmen-Sophomore Swimming team showed an overall impressive performance this year. Although the team was in need of some polishing, they maintained a competitive level throughout the season. One team member especially excelled, and he will also be the one to watch in the future. While Steve Wyllie achieved greatly on his own, he also functioned well in his role as a member of the Frosh-Soph team. Coach Davis applauded the efforts of all his team members, and is looking forward to tapping the potentials they hold.

A lack of senior team members eliminated any significant show of experience on the Varsity Track team. They compiled a disappointing season record of 105, but behind the scoreboard were some outstanding individual performances. Junior John Smeerdykes competed in CIF Finals with his shining pole vault of twelve feet, six inches. Coach Winklemann congratulated his team for all of their efforts throughout the season, and summed it all up in eight words: "We did the best with the talent available."

The Varsity Volleyball team once again shined in their successful 1981 season in the Freeway League. The team ended league play with an outstanding record of 14-0. It was the first undefeated season for the team. Four varsity players were given All-League honors: Sheryl Kempkes, Carolyn Ostergren, Maria Calabretta, and sophomore Paula Tezak. Seniors Kathy Manriquez and Lucia Hooper were given Honorable Mention, and senior star Maria Calabretta was named Freeway League Player of the Year. Sandy Blumenthal's tremendous insight as a coach led her team to the Semi-Finals of SSCIF action where they were defeated, but all deserve credit for their outstanding team effort.

The Girls' Varsity Tennis team had a rewarding season as co-second place finishers in the Freeway League. Many returning lettermen and the spirit of the underclassmen helped to bring forth their fantastic season. Paula Mc Cord, Elyse Stein, and Diane Dodd, three returning lettermen, combined with the rest of the team to help achieve many personal goals and victories. Paula Mc Cord and Diane Dodd were ranked number one in league in doubles, and Elyse Stein was ranked number three in singles. Many of the girls spent long hours during hard work-outs which helped the team through their season. With a new coach, Bill Carpenter, who was hired this year, support and guidance was provided for the team. In the years to come, the spirit and enthusiasm of these girls will help produce many more fantastic and victorious seasons.

With a record of five and five, the Junior Varsity Tennis team had an impressive season. Also headed with a new coach, Susan Elliot, the girls worked together with a lot of team spirit and ambition. Many girls endured plenty of pain and hard work which brough the team to its peak performance. Many of these girls gave their best performance which helped to strengthen the team. Headed by their new coach, the team was able to place second in the Freeway League. With many of these girls moving up into the varsity position, next years' team looks very promising.

Cross Country was on the uprise this year. Many girls decided to take up running and compete in this fast growing sport. Mr. Winkelmann recruited approximately seven new girls; and out of these seven girls, three became top runners. Debbie Kirylo, Dawn Phelps, and Sonya Uehara showed excellent performance in their first year of Cross Country. Audrey Cadwell Marina Laymon, and Jenny Moore, the team's three top runners, also showed excellent skills and improvement. Audrey Cadwell, a four year lettermen, led the team to becoming Freeway League Champions with a 4-1 record. Even though the team gave their top performance in the C.I.F. prelims, they did not make it to the finals. Mr. Winkelmann is looking forward to the next Cross Country season with enthusiasm and fortitude. Based on the participation of the girls and of their victorious season, a greater number of girls can be expected to be preparing for next years' season, hoping to continue their dominating title.

The year 1981-1982 marks the beginning of a new girls sport—soccer. The girls on the team met their soccer season with enthusiasm. This was the first year girls' soccer was ever played at LHHS and the girls encountered quite a few challenges.

The team was composed of 18 girls and two coaches: Coach McKay, and Coach Vyscaocil. The team might not have made it to CIF, but considering that this was the first season soccer was played at LHHS, our girls deserved pats on the back for their hard work. At the soccer banquet, four awards were given to four deserving players: Deanna Brady received the MVP award; Kari Freeman for Most Sportsmanship; Carolyn Torbert for Most Improved; and Melissa Geiger for Most Congenial.

The 1982 Girl's Varsity Softball Team faced a stupefying season. The team met their softball season with exuberance and anticipation. The Clan consisted of 11 excellent ballplayers. With a record of 18-1, the Clan easily took first place in the Freeway League. Coach O'Donnell encouraged each girl to play their best in every ballgame. On the field, Coach O'D treated each of them as capable athletes; and off the field, he treated them as friends.

Coach O'Donnell remarked, "They played really well." He added, "We had a great season. We lose as a team, and we win as a team." And together, like one big family, the Clan accomplished their goal as Freeway League Champs and a chance to compete in CIF. When Coach O'D was asked regarding their possibility of winning CIF, he said, "It takes a lot of luck to win in CIF. But we'll survive."

Jenny Moore exerts energy to give the Clan a double play.

This year's J.V. Softball team was blessed with many fine players. Teri Arnold was the top pitcher with two no hitters to her credit, and a seasons' record of eighteen wins with no losses. "As coach, I had a great time with the girls. We had over five hitters batting 300 or better. I'm sure this group will go on to help strengthen next year's Varsity team," was Coach Drangini's comment.

The team was grateful for the fine coaching which lead them to become Freeway League Champs.

This year's Varsity Track Team was in the midst of an exciting, self-improving, and properous season. Led by coaches Sutton and Reynolds, and manager Marinelle Banez, the team compiled an overall record of 4-1. Each member of the squad was able to compete individually and as a member of the group. It gave the team an opportunity to improve on their skills and conquor many goals. The coaches provided their leadership and expertise in the work-outs. As Freeway League members, many girls supported one another with a positive attitude. Annette Brennan, Debbie Knight, and the remainder of the girls compiled a year of excellence. The Clan was able to conquor the championship at the Brea Rotary Relays, and will be looking forward to next year, hoping to retain their victorious title. The squad went into the League Preliminaries in a tie with two other schools for the first place position, and ended their season in second place behind Sunny Hills. The team lost two outstanding seniors, Audrey Cadwell and Lisa Musial, but is looking forward to another achieving season.

The Junior Varsity Badminton Team had a wonderful season. They worked individually and as members of a team. Each player contributed a great amount of effort to complete the season with an overall record of 6-3. Each member was able to realize that it took hard work to succeed. The Clan was the only team in the Freeway League who had no competitive experience, but they had a fantastic season. Melissa Rogge was number one in J.V. singles, and Gina Ortega was ranked number two. The team will be looking forward to next year's season hoping to improve on their skills and goals.

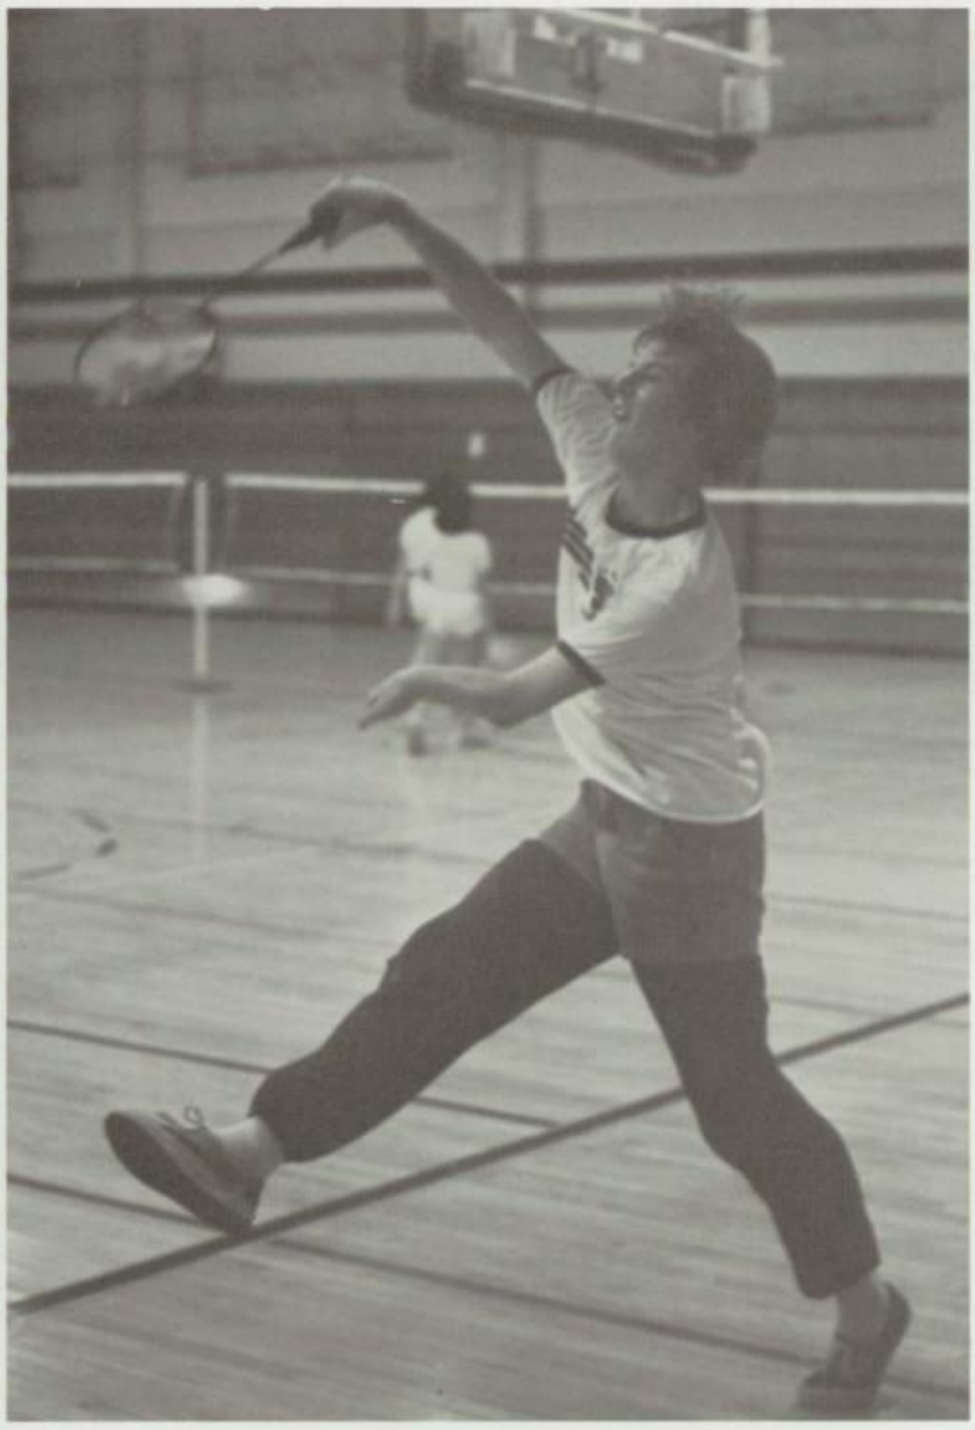
Varsity's Challenge

Debbie Zupan and Patti Ostergren work as a team.

Julie Baumbush displays excellent form.



John Stark displays his badminton performance.

Hector Gonzales reaches for the point.

In its first year of existence, the Varsity Badminton Team had a competitive yet outstanding season. Although many schools in the league were more experienced, the Clan was able to place fourth with an overall record of 5-4. Coach Blumenthal worked with many enthusiastic and highly devoted players. Kerry Woods, a junior, scored the most points on the team with 16 points total. Hector Gonzales and Kerry Woods placed third in boy's singles. Each player contributed an extreme amount of team work. With more experience, the squad will be looking forward to next year's season.

Amazing Progress

Front Row: Rosemarie Zofrea, Donna Eisenhuaer, Elyse Stein, Michelle Carter, Dawn Leyva. Row Two: Wendy Blake, Carolyn Jackson, Lenette Cota Lori Buur, Carolyn Dewitt, Laura Cota, Diana Thewes.

This year's girls swim teams had amazingly good results. After suffering a lack of members, the team went on, and gradually gained more players. With great coaching from Mr. Davis, the Varsity took second place with a record of four losses and six wins. The team contributed great effort, but among the highest scorers were senior Wendy Blake and sophomore Lori Buur.

The J.V.'s on the other hand, gained much experience, and tried hard, but ended up with a record of two wins and eight losses. The team showed a lot of enthusiasm and potential for future years on a Varsity level.

Lori Buur impatiently awaits the gun.

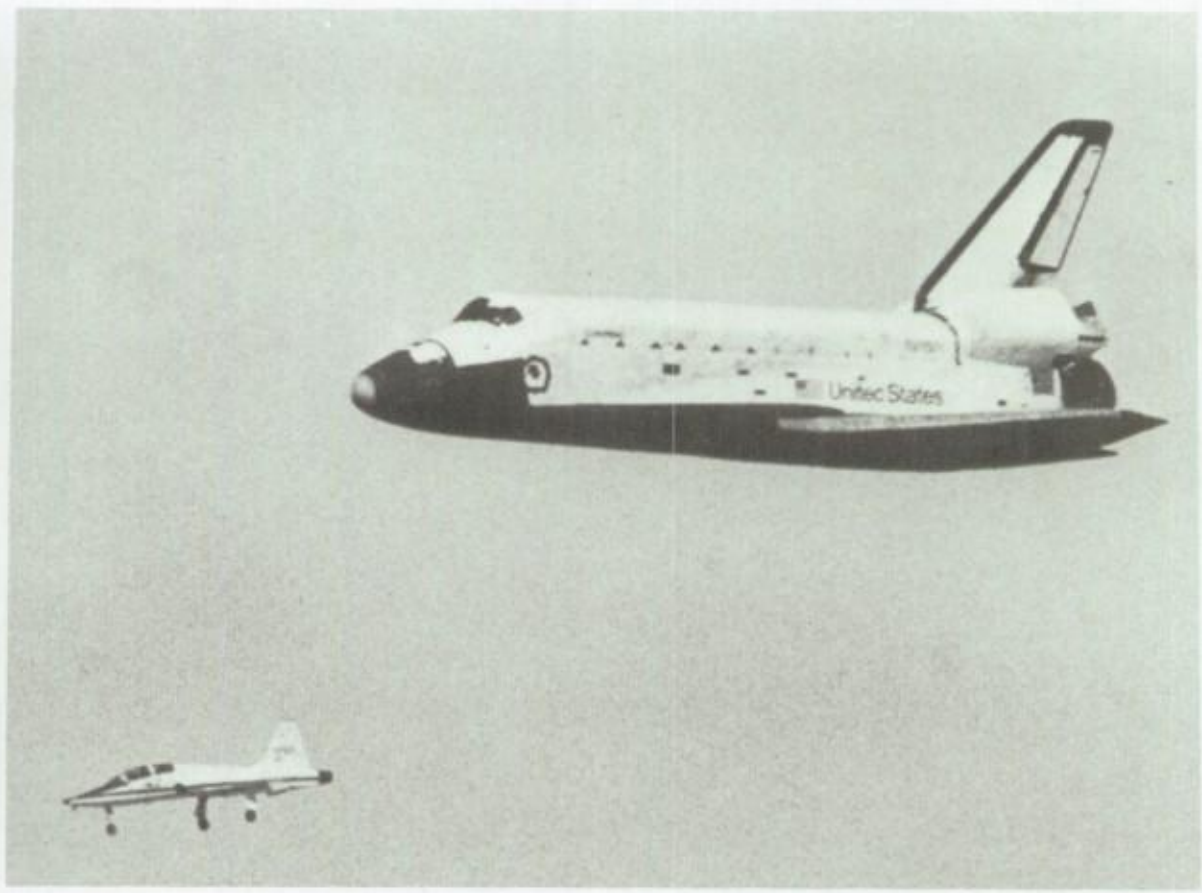
World News 1982



The space shuttle Columbia lifts off at Kennedy Space Center with the American flag in the foreground, November 12, 1981, and with a chase below, Columbia descends for a landing November 14, at Edwards Air Force Base, Calif., completing its second flight, marking the first successful mission by a reusable space vehicle.

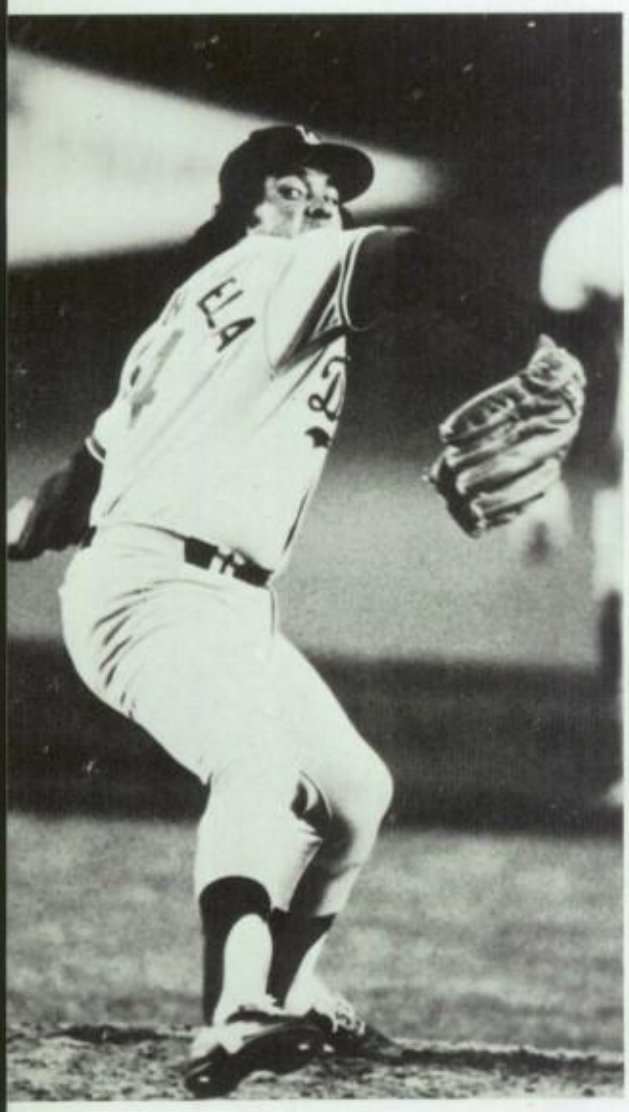
Sweet smiles of success are worn by Crewman Ron Clark, in hat, and Captain Ben Abruzzo, right, during their rescue in the rugged terrain of Northern California after their balloon, Double Eagle V, had crashed-landed the night of November 12, 1981. On the first successful trans-Pacific flight, they had taken off three days earlier from Japan. Also making the flight were Maxie Anderson and Hiroaki "Rockey" Aoki.

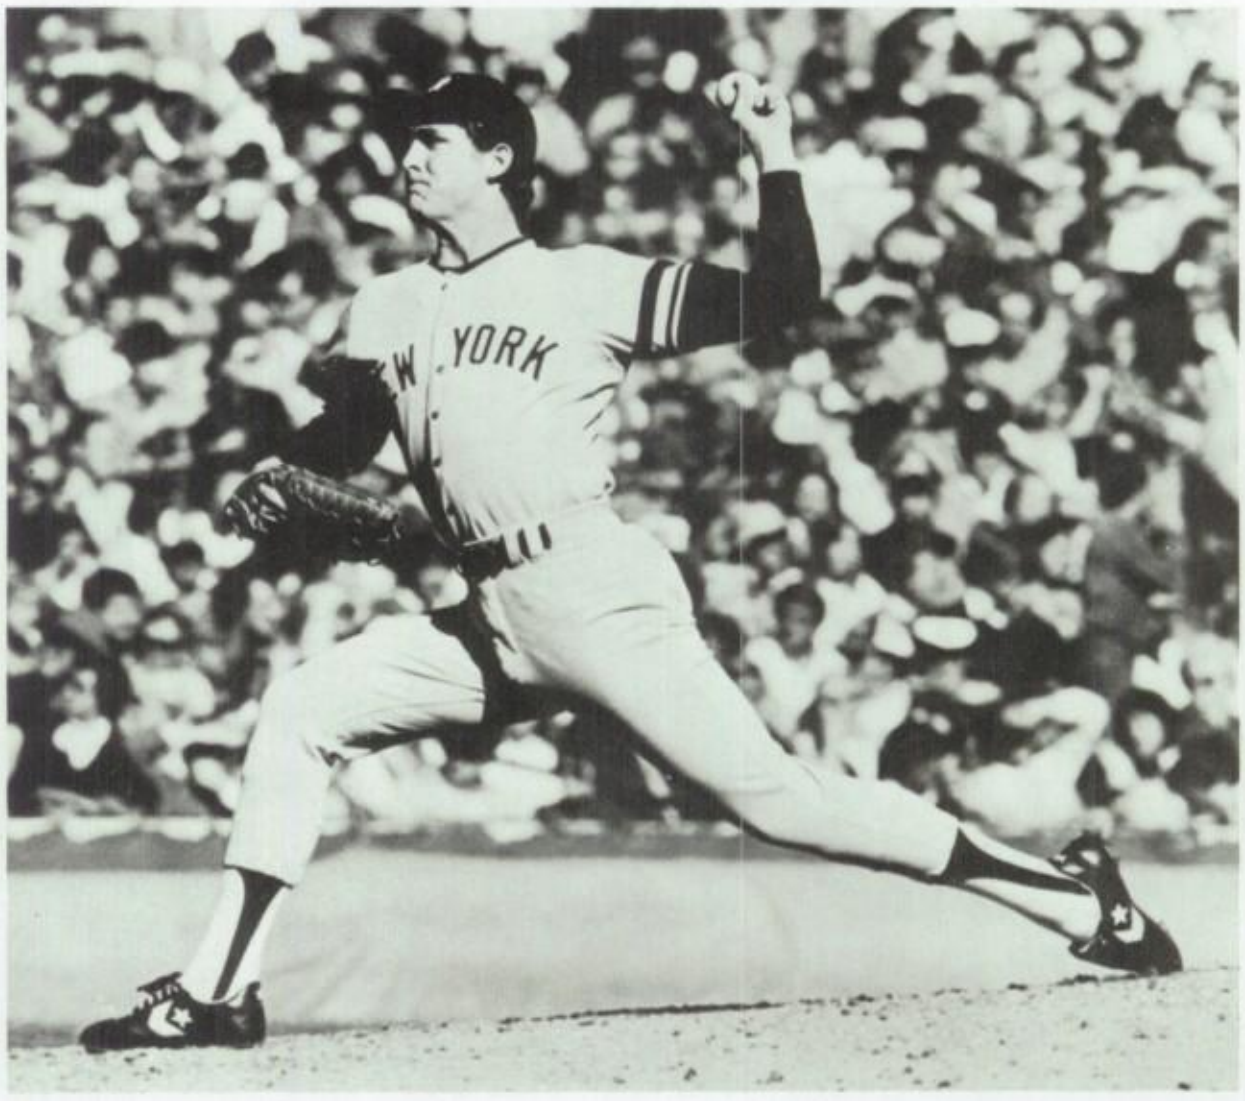
England's Prince Charles and Lady Diana Spencer, his new Princess of Wales, smile and share a private moment as their carriage draws away from St. Paul's Cathedral shortly after their wedding. July 29, 1981.

Wreckage clogs the lobby of the Hyatt Regency Hotel in Kansas City, Mo., after the collapse of second and fourth floor walkways killed 113 persons July 17, 1981.

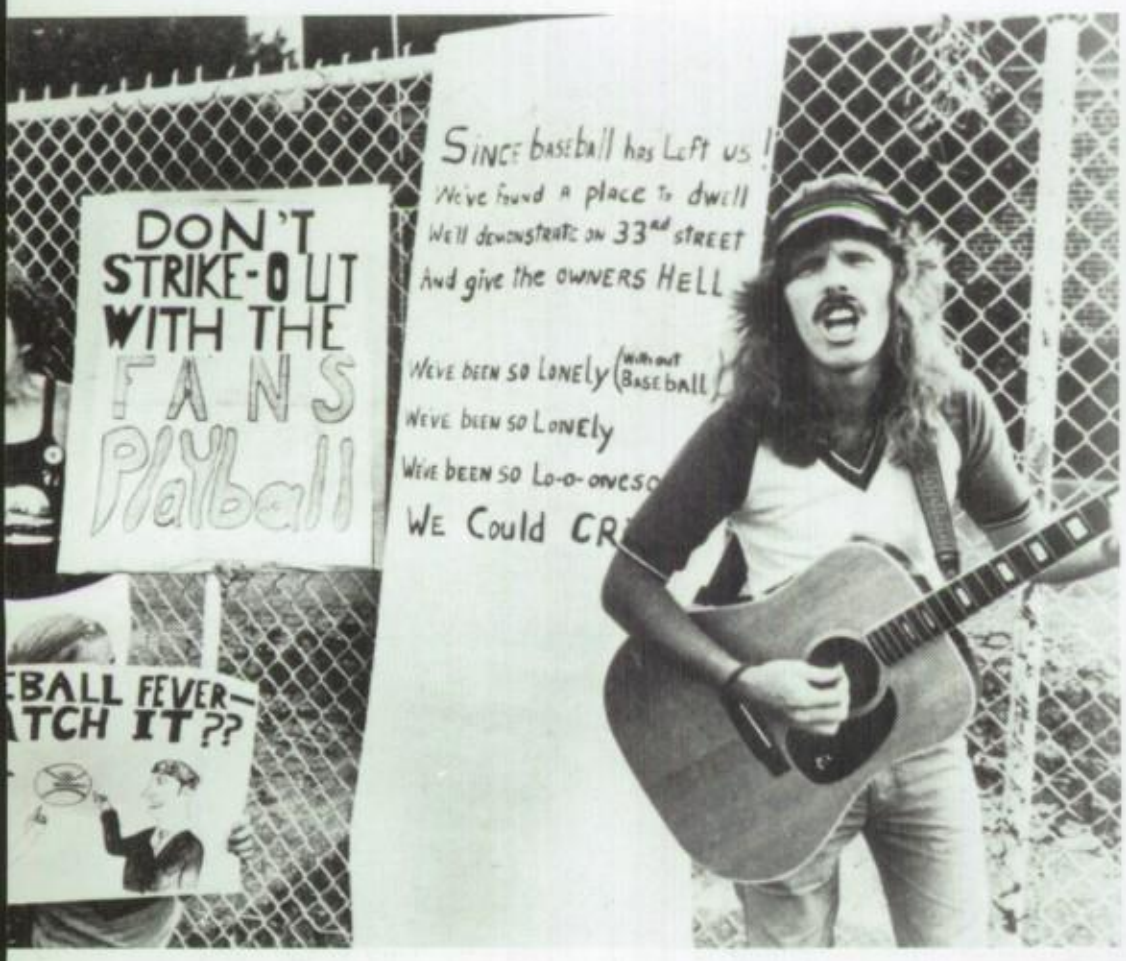
Justice Sandra Day O'Connor, third from left, poses on the steps of the Supreme Court Building in Washington D.C. just before being sworn in to become the first woman member of the nation's highest court, on September 26, 1981.

Left: A man in an Egyptian army uniform fires a submachine gun at pointblank range into a reviewing stand where President Anwar Sadat was assissinated and at least five others killed, October 6, 1981. A group of army men was charged with the killings.

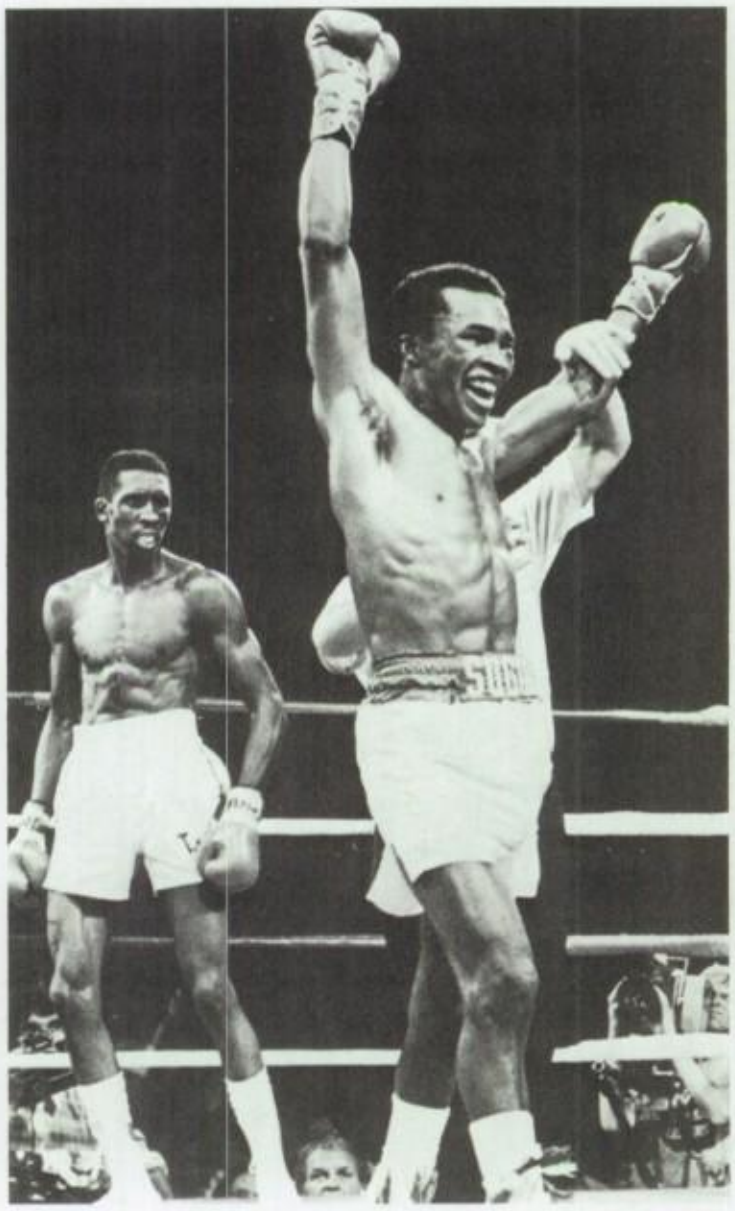




The 1981 baseball rookies of the year were left-handed pitchers Fernando Valenzuela of the Los Angeles Dodgers in the National League and Dave Righetti of the New York Yankees in the American League. Valenzuela, a 20-year-old from Mexico, also was the National League's most valuable player.

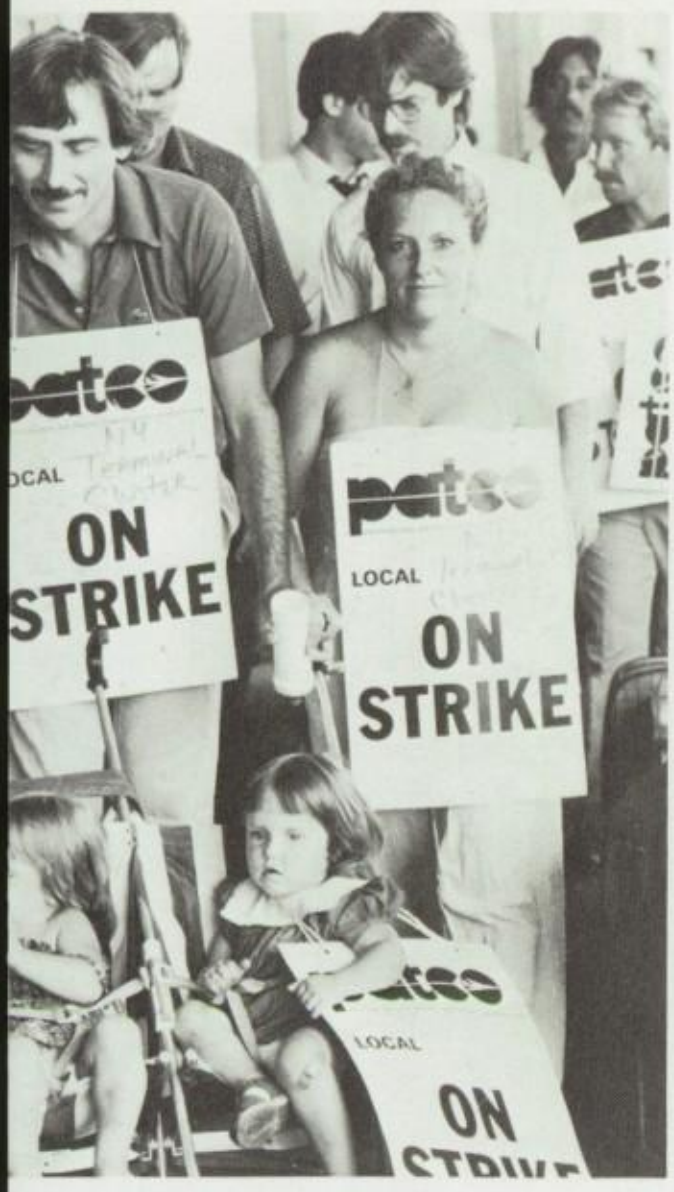


DON'T STRIKE-OUT WITH THE FANS
Playball
Since baseball has Left us !
We've found a place to dwell
We'll demonstrate on 33rd street
And give the OWNERS HELL
We've been so Lonely (without baseball)
We've been so Lonely
We've been so Lo-o-oneso
We Could CR
BALL FEVER-
TCH IT ??



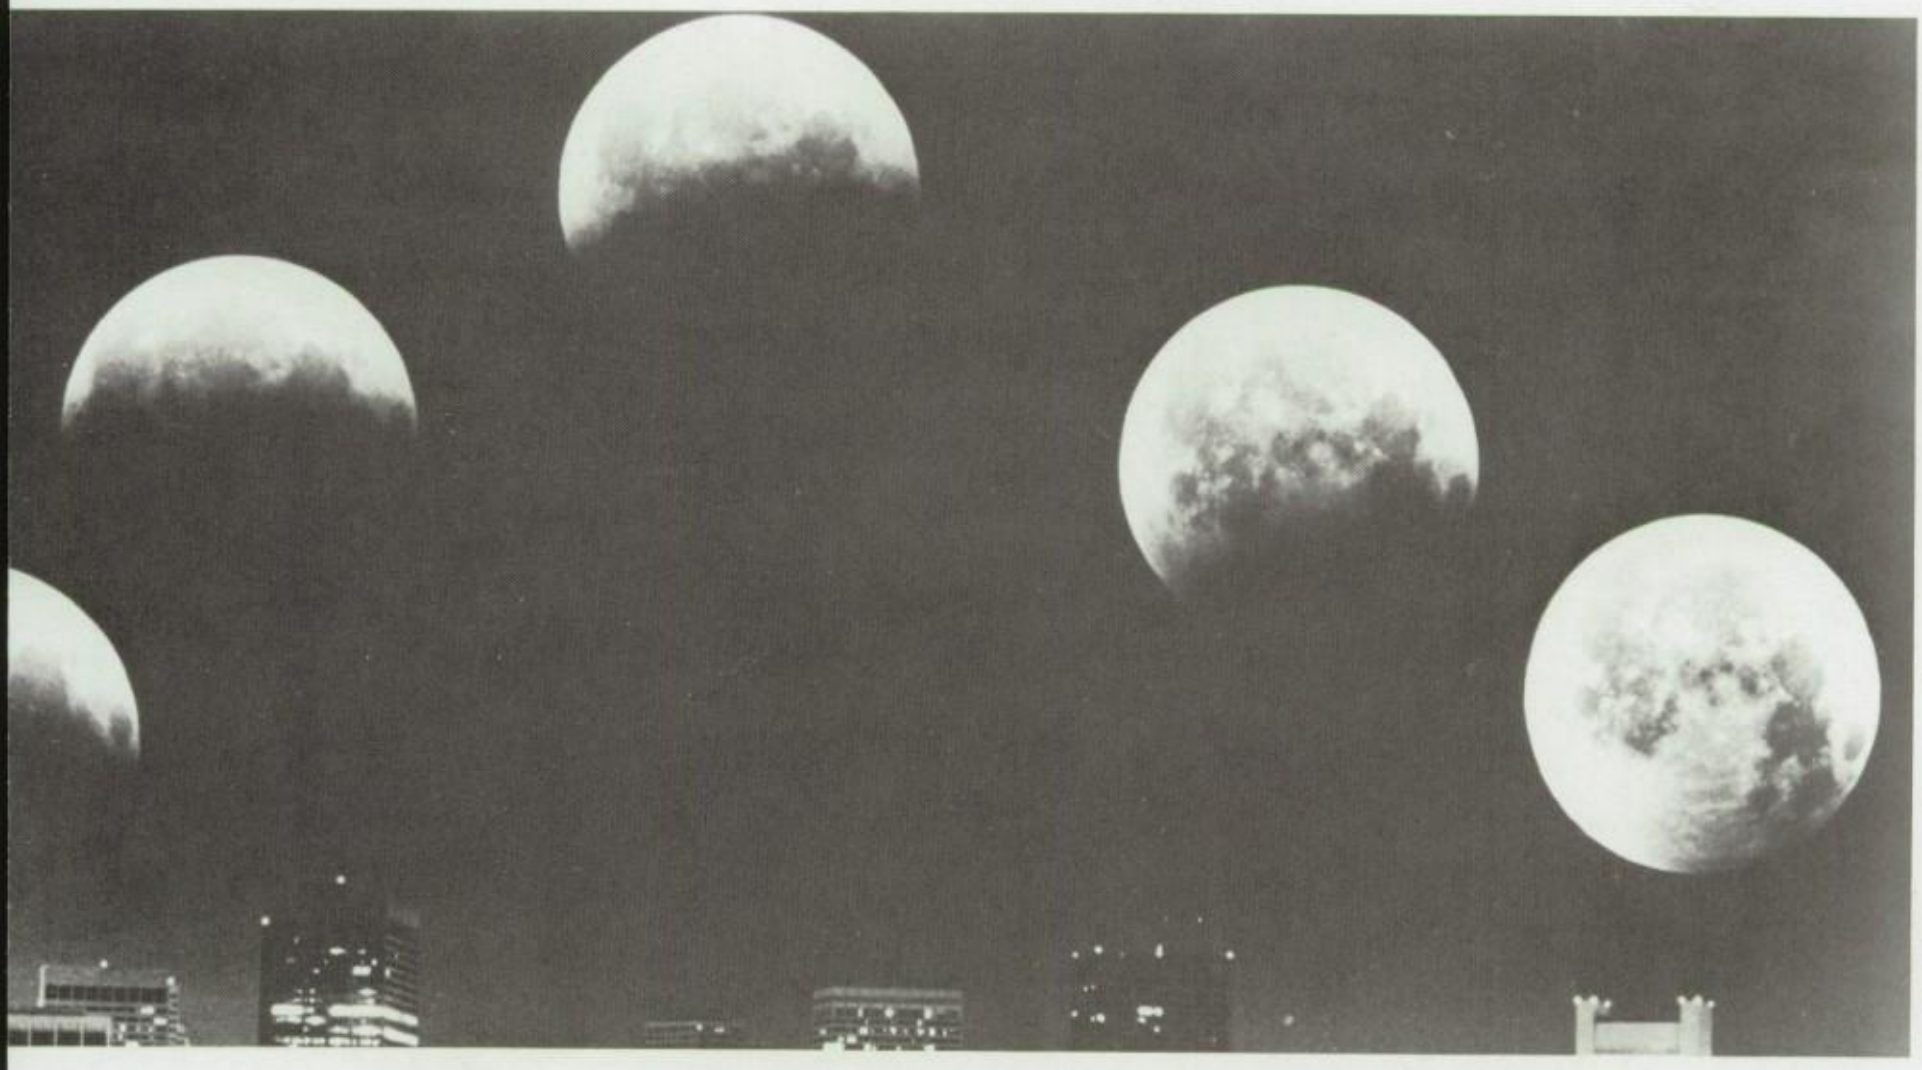
A protest of the baseball strike, the first during the regular season, is sung by Patrick Michael Simpson, who draped the words of his lament over the fence at Memorial Stadium, Baltimore, Md., June 17, 1981.

Sugar Ray Leonard holds his hands high after stopping Thomas Hearns on a 14th round TKO to take the undisputed world welterweight championship, September 16, 1981, in Las Vegas, Nevada.



Striking air traffic controller Bill Haney and his wife, Meredith, push their twin daughters, Alison and Meghan, 22 months, on the picket line at LaGuardia Airport, New York, August 8, 1981. The striking controllers were fired and their union decertified.

A Swedish security vessel is tied onto a Soviet submarine, November 2, 1981, after the sub grounded off the Baltic Coast a short distance from the high-security Karlskrona naval base in Sweden.



The moon passes through several phases of its eclipse early July 17, 1981, as it reached about 55 per cent of total. The eclipse was exposed on the same piece of film five separate times at 22-minute intervals. The photo of the Boston skyline was taken on a separate piece of film from the same location and sandwiched with the eclipse negative.

Publications 1981-82

Each year it becomes increasingly more difficult to surpass the previous years yearbook. A book of this magnitude requires the diligent efforts of a well organized and dedicated staff. We were fortunate to have this combination this year! Heading the staff, Editor-in-Chief, Missy Sullivan did a fantastic job leading an inexperienced staff to this final product which speaks for itself. Our thanks are extended to Missy for her enormous energy, never ending enthusiasm and her fine and now experience staff!

Each year our staff draws upon the expertise of Albert and James Studio for their fine photography. This year was no different and we thank them for their never failing assistance and patience. Thanks Dirk, Jim, Gordy and Dianna!

The staff and I wish to the Class of '82 (an outstanding class indeed!) much success and hope the fond memories captured in this book will remain with you always!

Still Life *has been my inspiration, and a large part of my life this year as Editor-in-Chief of the 1981-82 Hieland.*

My main goal has been to create positive memories of this past year at LHHS. To accomplish this, I have tried to include the full range of school life and school activities. I strongly felt that the education we as students received at La Habra High School was a quality one. This is applauded with the memories of outstanding staff members, academic excellence, and unbelievable scholarship achievements. But flowing from the academic pursuits have been accomplishments and involvement by a vast range of students in all of the co-curricular and extra-curricular activities which have contributed so very much to our growth as young individuals. These pursuits, whether in sports, performing arts, science, or any other endeavor, have also been applauded in this publication.

Still Life *has hopefully captured the totality of LHHS and this past year. I sincerely hope it is something you can look back on and smile.*
